**BELLS,
CARILLONS,
CLOCKS.**

THE PAST AND THE COMING YEAR.

A year ago we were turning our backs upon a period of horror and sadness, scarred deep by the tragedy of war, and looking forward to brighter days of returning prosperity and happier conditions of life for the nation. The hopes that we, as a people, cherished on the threshold of 1919, have by no means all been fulfilled, and the future is looming large with difficulties. Despite this, however, there is much to give encouragement in the Ringing Exercise in the revival that has taken place in the last twelve months. Those organisations which, through the war, had allowed their energies very largely to lapse, have put their machinery into working order again with commendable promptitude, while those who, despite all the handicap, did their best to carry on, have reaped a reward from the very satisfactory manner in which they have gone forward since the return of peace.

Much more quickly than one expected, the bell-founding industry has been getting back into its stride, and the activity of the principal firms must be gratifying to every ringer. Peace bells have given an impetus to the industry which had come largely to a standstill during the war, and the revival of bell work gives every promise of going forward in the coming year at an increasing rate. There is a double, or shall we say a triple advantage in this. Not only does it keep the foundries engaged, and provide ringers with additional peals of bells upon which to practise their art, but it spreads interest in bells among the public, which is all to the good.

Of the recovery in the Exercise itself, our columns have provided ample evidence, and the ever-increasing demands upon our limited space are a source of serious concern. In the coming year we may safely anticipate, among other signs of the revival, a considerable increase in the peals rung, as well as a larger number of meetings being held, for most of the men who have been spared to return are now back in the towers, and have taken up the art with a new zest. Ringing promises to come into its own again quicker than most people expected, and interest will grow as the practice of ringing expands. Ringers, we know, will look to their journal to keep them posted in the doings of the Exercise, as in the past, but we hope they will, at the same time, realise the difficulties which face us in trying to meet the increasing requirements of the times. To maintain the "Ringing World" in the face of the rising cost of production it is necessary to go with the greatest caution, reckless development might, and probably would, end in disaster. It may be disappointing to many to find that paragraphs in which they are interested do not

BELLS! BELLS! BELLS!

Let the Music of the Bells celebrate Peace.

Messrs. CHARLES CARR, Ltd.

The OLD-ESTABLISHED firm of Bellfounders,

are now prepared to execute orders for all kinds of Bells, singly or in rings. Their foundry is equipped with every modern appliance for the manufacture of Bells of any size, weight or note, all their Bells being moulded and cast on scientific principles; while their knowledge of the 'Chemistry of Metals' enables them to produce that fine quality of Tone so much desired by all lovers of Bell Music.

In their finishing and fitting shops they have installed the most 'up-to-date' Tools and Machinery for the making of Bell Frames and Fittings, so that they are in a position to carry out the complete installation of Peals of Bells for Churches, or Sets of Chimes for Public Clocks, etc.

SPECIAL ATTENTION GIVEN TO THE RECASTING AND REHANGING OF EXISTING PEALS.

Orders may be placed now for delivery at a future date to suit the convenience of clients.

ALL MATERIALS CHEMICALLY AND MECHANICALLY TESTED.

always appear, but they may rest assured that it is not because they have been singled out for omission, and we hope they will believe us when we say that we endeavour to do the best we can for all, having in view the general interest of the great body of the Exercise. The real key to the situation is circulation. If ringers would individually support the paper instead of, as is done unfortunately in all too many cases, taking one copy for the tower, they would quickly see the result in a larger journal, adequate to the growing requirements of the Exercise. At the opening of this New Year, therefore, we feel we may be permitted to appeal to ringers throughout the land to send up the circulation to proportions commensurate with the strength of the Exercise, and thus, by their efforts, secure a paper of dimensions equal to the needs of the future.

ESTIMATES SUBMITTED

For Rehanging, Retuning and Recasting.

Musical Handbells in sets, Bell Ropes, &c.

At the Handbell Contest held annually in Manchester the First Prize for the last 16 years has been awarded to bands using our bells, and on fourteen of those occasions they have gained the Second Prize also.

BELFRY GOSSIP.

"...all our friends throughout the Exercise we extend our heartiest good wishes for a happy and prosperous New Year.

Boxing Day was the anniversary of the long peal of Superlative Surprise Major at Crawley, Sussex, the record length of 9312 changes being rung in 5 hrs. 29 mins. It hardly seems possible that this performance took place five and twenty years ago, but so it is.

'The real standard of excellence in our Association,' say the committee of the Lancashire Association in their annual report, 'is to be proud not in the length of its peal list only, but in the variety of methods which can be accurately rung in many of its towers, and in the high quality of its Sunday ringing.'

The death has taken place at Sedgley, Staffs, of William Mills, who for 35 years was a ringer at All Saints' Church.

The peal of Stedman Cinques, rung at Waltham Abbey and recorded in our issue of Dec. 19th, was rung under the auspices of the London County Association. This fact was omitted from the report as sent for publication.

The Lancashire Association's membership is 1,247, of whom 1,010 are resident ringing members.

The meeting of the Society for the Archdeaconry of Stafford, which was originally announced to take place at Wednesbury, is to be held at Christ Church, West Bromwich.

One of the ringers who took part in the opening touch on the new bells at Overseal had rung in 208 towers, and said in his opinion Overseal were the best light peal he had heard.

The handbell peal, rung at Leicester on December 20th, was unique as a 'family' affair. Mr. J. Morris and his two sons are intimately connected with St. Margaret's Church. Mr. E. Morris is sidesman, Mr. J. Morris verger, and Stedman Morris is a chorister, the peal being rung on the twelfth birthday of the last named.

SUSSEX COUNTY ASSOCIATION.

A quarterly meeting of the Western Division was held at Chichester, on Saturday, December 27th, 27 members and visitors being present from Angmering, Aldrington, Brighton, Bosham, Billingshurst, Heene, Slinfold, Shoreham with four from Portsmouth; Mr. Dewey from Reigate; Mr. J. H. Shepherd from Swindon, and several members of the local band. Some very good touches were brought round in Grandshire, Stedman Triples, Kent Treble Bob, Double Norwich, and Cambridge Surprise Major.

The members attended a short service at the Cathedral and afterwards sat down to an excellent tea.

At the business meeting which followed, the Master (Mr. F. B. Tompkins) was voted to the chair. The Cathedral band were re-elected to the Association, and three life members from Portsmouth, viz., Mr. F. W. Rogers, Mr. E. J. Harding, senr., and Mr. E. J. Harding junr., were elected.

It was proposed to hold the next quarterly meeting at Steyning. It was also suggested that something should be done to show the members' gratitude to Mr. H. Evans, who has been a member of the Association over 30 years and for half that time as secretary to the Western Division, and to help him in his long and continued illness. This was left in the hands of the secretary.

A vote of thanks to the Master (Mr. F. B. Tompkins) for presiding and making the necessary arrangements for the meeting, was proposed by the secretary, and suitably responded to, Mr. Tompkins also undertaking to convey the thanks of the members to the Dean for granting the use of the bells.

The campanile was again visited, and after several more touches were brought round the bells were lowered in peal. Everyone agreed that the 'go' of the bells is excellent. They have lately been overhauled by Messrs. Taylor and Co.

A meeting of the Central Division was held at Uckfield on Boxing Day 21 members being present. A short service was held, the address being given by the Rector (the Rev. E. Sanderson, M.A.), and afterwards the visitors adjourned to the Bell Hotel, where an excellent tea had been provided, and at which the Rector presided, supported by Mr. Wm. Gould (churchwarden). The following new members were elected at the meeting which followed: W. Beeson, junr., Godstone, Surrey; G. Illman, Horley; G. Bliss, Charlwood, Surrey; J. N. Frossell, Kingston-on-Thames; R. Bade, J. Kingswood, F. Kingswood, N. Kingswood, H. Humphrey, J. Warner, Reg. Taylor, Owen Taylor, Ray Welfare, S. Miller, H. Rogers, C. Welfare, R. Philpott, of Withyham.

Votes of thanks were passed to the Rector for the use of the bells and his capital address, and to the Rector and churchwardens for their great kindness in providing tea for those attending.

There was ringing both during the afternoon and evening, and the following towers were represented: Aldrington, Balcombe, Brighton (St. Peter's), Ditchling, Laves, Lindfield, Mayfield, Rotherfield, and the local branch.

DENTON.—Chester Diocesan Guild.—At St. Anne's Church, on Nov. 25th, 720 Hail Surprise: D. Wilde 1, A. E. Marshall 2, H. Bardsley 3, J. Pollitt 4, W. Wilde 5, J. Hockingbottom (conductor) 6. First 720 in the method by all.

BENGE'S NEW BELLS.**ADDITION TO HERTFORDSHIRE PEALS.**

Two new trebles have been added by Messrs. Mears and Stainbank to the ring at Holy Trinity Church, Bengoe, and the old six have been overhauled, so that the tower now possesses a capital ring of eight. The new bells have been hung over the old ones, but they run well, and the Whitechapel Foundry is to be congratulated upon the completion of a splendid job. Given as a thankoffering by Mr. and Mrs. A. Baker, of The Limes, Bengoe, the new bells have just been dedicated at a service attended by the Mayor and Mayoress of Hertford, and other leading residents of the parish. After the formal ceremony the peal were rung in the service by Col. H. Baker 1, Alfred Baker 2, G. R. Gray 3, A. Wright 4, J. Ladley 5, J. Pomfret 6, G. H. Austin 7, D. Bennett 8.

The preacher was the Rev. A. G. Langdon, Rector of Great Munden, and an active member of the Herts Association, who gave an inspiring address from Psalm xc. 17, 'The work of our hands, establish Thou it.' The true dedication, he said, was not merely of the pieces of metal, but of their own hearts. Referring to ringing, he said it was a wholesome and fascinating recreation, intellectual as well as physical. Every gift of body and mind was for Christ's service, and men who wanted to do something for the Church with their hands could find it in the belfry. The old prejudice against the ringers as men of not too sober habit was gone, and the change ringing of today was all against the baser forms of indulgence. In the quiet country places it was almost the salvation of the young men who took to it. The life of the good bell ringer and of the good man was the best kind of preaching. He asked their sympathy for and support of the bell ringers, into whose care these bells were now handed over to be well and truly used, dedicated to the service of God.

The offertory was to meet the expenses—over £60—incurrd in the necessary overhaul of the old bells, etc.

The new bells bear the following inscriptions: Treble 'In Thee, O Lord, do we put our trust.' G. M. Baker Lieut., King's Liverpool Regt., 1919.' Second, 'Thanks be to God who giveth us the victory.' W. G. Baker, Lieut., R. Innis, Fusiliers, 1919.'

After the service a number of touches of Grandsire Triples and Plain Bob Major were rung, the ringers including Messrs. J. Thomas and W. J. Hazell from the Whitechapel foundry, and representatives from Ware, Munden, and Hertford towers.

The old ring of six bells in Holy Trinity tower was the gift of Mr. Robert Smith, of Goldings, and the bells were consecrated by the Bishop of Colchester at a service on New Year's Eve 1882, when the Rev. Mansell-Pleydell was rector. The 'Hertford College Youths' who rang on that occasion. It is interesting to note, were: James Staples 1, Jasper G. Crawley 2, Alfred Baker 3, Herbert Baker 4, Thomas Gathard 5, John Godfrey 6.

LLANDAFF DIOCESAN ASSOCIATION.**ANNUAL MEETING.**

The annual meeting was held at All Saints' Newport, Mon., on Boxing Day. The bells of both All Saints' and St. Woolos' Churches being available, full advantage was taken to make good use of them. The service was held in the Parish Church, conducted by the Vicar, who gave a very able address. Tea followed in the Mission House, the large room being well filled with ringers, including several ladies.

The business meeting was presided over by the Vicar (the Rev. W. Williams). The absence of the Trevechin ringers was explained by the Chairman, who said that the death had occurred of the wife of Mr. D. Penny, one of the Trevechin band, and the other ringers belonging to the tower were attending the funeral that afternoon.—A vote of condolence with Mr. Penny was passed.

Mr. George Cooke, of Caerphilly, was chosen as Master of the Association for the ensuing year and Mr. J. W. Jones was re-elected hon. secretary.—The Rev. W. Williams was appointed treasurer in place of the Rev. Connop L. Price, who desired to retire.—Mr. W. Bolton and Mr. S. Dawo were elected auditors.

It was resolved to place a tablet in the Cathedral as a memorial to those members of the Association who had fallen in the war. It was decided that the next annual meeting should be held at St. John's, Cardiff; the next Glamorgan quarterly meeting at St. Nicholas, and the Monmouthshire quarterly meeting at Blaenavon.

Although it was a very wet day there was a good attendance and the meeting a success.

WEDDING BELLS.

On Saturday evening, December 20th, at Rainham, Kent, in honour of the wedding of the daughter of Mr. W. J. Walker, a respected ringer of the Kent County Association, a date touch of Grandsire Triples (1919 changes), arranged by F. Stone, was rung in 1 hr. 13 mins. by: W. Raynes 1, W. Haigh (conductor) 2, F. Ockwell 3, A. Manktelow 4, C. Winsor 5, J. Champion 6, P. A. Holden 7, F. Belsey 8. At Upchurch, in the afternoon, a 720 of Kent Treble Bob Minor was rung.

OVERSEAL'S WAR MEMORIAL.**GIFT OF BELLS BY MR. W. W. WORTHINGTON.**

A peal of eight bells, three of them the gift of Mr. W. W. Worthington, whose interest in ringing is well known in the Midlands, have been placed in St. Matthew's Church, Overseal, and a marble tablet erected in memory of the nineteen Overseal men who fell in the war. The bells are the product of the Loughborough foundry, and their beautiful tones are much admired, for although the peal is a light one, they are a most musical octave. The tablet, which is of white marble, bears the inscription, 'The peal of bells in the tower and this tablet were placed in this church to the glory of God and to the men of the parish who laid down their lives in the great war, 1914-1919.' Their names are inscribed hereunder: Edward Percy Clapp, Ronald Eacot, Charles Percy Fernihough, Job Smith Hall, Frederick George Harper, Thomas Henry Hogg, John Win. Hogg, John Thomas Hughes, Albert Jordan, Wilfred Jordan, Joseph William Lamsden, Samuel Norman Leatham, Percy Walter Perry, John Reginald Teblitt, Joseph Thorpe, George Walker, Charles Woodward, James Wood, Harold Yates.

The inscription on the tenor bell is 'Treble, second and tenor bells were presented to this church by W. W. Worthington in memory of those who have fallen in the great war, and as a thankoffering for its conclusion, 1919. Herbert Edward Worthington, B.A., Rector, George Pratt, John Hall wardens.' On the treble are the words, 'The two small trebles and the fifth sixth and seventh bells were presented by the parishioners to the glory of God and as a memorial to the 19 Overseal men who fell in the great war, 1914-19.'

Mr. A. Jackson was the secretary for the committee which had charge of the arrangements, and it is interesting to note that the whole of the money was raised in ten months.

The dedication was performed by the Bishop of Peterborough. The choir and clergy met at the schools, and marched in procession to the church, the hymn, 'Onward, Christian Soldiers,' being sung en route. After the dedication by the Bishop there were four minutes of silent prayer, during which there was muffled ringing and afterwards 'The Last Post' was sounded from the steps of the church by Mr. Chadburn, an ex-soldier.

The band that rang the opening touch comprised: John H. Swinfield 1, William W. Worthington 2, Edward I. Stone 3, Harry Withers 4, John Withers 5, William J. Smith 6, Joseph Griffin 7, John Jagger 8.

The Bishop gave an address, and after the service tea was served in the schoolroom, for which a sub-committee of ladies was responsible.

MIDDLESEX COUNTY ASSOCIATION.**NORTH AND EAST DISTRICT MEETING.**

A very successful meeting of the North and East District of the Middlesex Association was held at Christ Church, Cubitt Town, on Saturday, December 20th, when about 40 members attended. The ringing started punctually at 3.30, with a touch of Stedman Triples, and touches in other methods followed. Service was conducted by the Vicar (the Rev. E. Hartley), who gave a short address on the message of the bells. The organist and choir were present, and added considerably to the harmony of the proceedings.

Tea was served in the Parish Room, followed by the business meeting, at which four new members were elected, whilst two elections made prior to ringing peals were confirmed.

The District Master (Mr. J. Armstrong) proposed that the next meeting, which would be the annual meeting of the district, should be held at Southgate, and he took the opportunity to inform the members that Messrs. Mears and Stainbank had received the order to add two new trebles to the existing peal of eight at that church. They were being given by the family of the late Mr. A. R. Barker (churchwarden) and Mrs. Barker, in memory of their parents.—The Hon. Secretary (Mr. C. T. Coles), in seconding the proposal to hold the next meeting at Southgate, stated that they would all look forward to the reopening of the peal after the new bells were added, and he was quite sure that the firm who had cast the present splendid peal would make every effort to add two bells worthy to take their place with them.

Mr. J. Waghorn asked the ringers present to give their support to the 'Ringing World,' stating that the paper had had a hard struggle to exist during the war.—The Hon. Secretary said that he would like to see all ringers taking a copy as it was only by increased circulation that the present difficulties could be overcome.

The Chairman (Mr. F. A. Milne, J.P.) proposed a vote of thanks to the Vicar for his address at the service and for the use of the bells; to the organist and choir; and to Mrs. Hodgson, Mrs. Hawkins, and friends for so well arranging the tea.—This, with a vote of thanks to Mr. D. Hodgson and the local ringers, was carried, and the meeting terminated.

During the period afterwards available for ringing some capital touches were rung, including courses of London and Bristol Surprise, followed by Stedman Caters, Treble Ten, and Double Norwich Major on handbells.

BRISTOL SURPRISE !*To the Editor.*

Dear Sir,—I read with much interest your leading article of December 26th. I notice that you refer to the 'Central Council's definition of a Surprise Method.' Now, I may have been mistaken, but I was always under the impression that the definition was mine. Some years ago a long discussion on this subject took place in the columns of the 'Bell News.' It was when the controversy was almost worn out that my attention was first drawn to it; and I at once posted off my definition to the Editor, who consigned it to the waste paper basket. He afterwards explained that he thought sufficient had been said on the subject. Finding that my letter was to be ignored I sent copies of it to my two old friends, Mr. Henry Dains and Mr. George Baker. Mr. Dains was delighted with it, and wrote to say that he would get it published; which he did, but made no mention as to where he got it from; but Mr. Baker wrote the next week and accused him of using my work, and I had to write and explain. Those who have the old files of the 'Bell News' can verify these facts for themselves.

Let us see then what the definition is.

1. A Surprise method is one in which the treble has a dodging hunt, and a place is always made at a cross section.

2. A cross section is the point at which the treble moves on from one set of dodging places to another.

That is the definition as I made it for myself in 1890. It is carefully worded to avoid the very point that Mr. Carter is now bringing up. When the treble lies her whole pulls in eighth and at lead she does not move on from one set of places to another, but merely dodges the other way round in the same places.

In framing this definition, I had two objects in view. First to include the old Surprise Methods, and secondly, to embrace all the best methods that could be obtained in the class that had always been regarded as the highest.

If Mr. Carter wishes to alter the definition, will he please tell us in the first place what is his reason for doing so, and also show what advantages we are to obtain by it?—Yours truly,

E. BANKES JAMES.

Seaford Park, December 26th.

Dear Sir,—Not only is Bristol Surprise my brother's method, but the definition of a Surprise Method in the Methods Report is also my brother's, and is first laid down in a letter by him to Mr. Henry Dains, which letter is in my possession and from which I copied the definition for the report.

Cross-sections are peculiar to Treble Bob Methods and the whole pull of the Treble in front and behind is not a cross-section; it is something far more, it is a lead division in Double Methods, and a lead division and half lead division in Single Methods and complex methods; it is common to Treble Bob Methods and Plain Methods.

Bristol is not a Bob Surprise Method; but it is a Mixed Court Surprise Method.—Yours truly,
H. LAW JAMES.

Surfleet, December 24th, 1919.

Dear Sir,—Mr. Carter is mistaken. Bristol is a Surprise Method, according to the Central Council definition as an examination of the adopted report on classification will show. Mr. William Snowden was the only authority who held that a Surprise Method must have second's made at the lead end. In the 'Bell News' for August 17th, 1907, will be found tables by Mr. Law James, from which all Treble Bob Methods can be worked out similar to Mr. Carter's tables in this week's 'Ringing World.'—Yours, etc.,

J. ARMIGER TROLLOPE.

Ealing, Christmas Eve, 1919.

PRESENTATION TO EX-SERGT. E. MORRIS.

An interesting presentation has recently been made to Ex-Sergt. Ernest Morris, of Leicester. It took the form of a book on 'The Church Bells of Devon and Cornwall, with a supplement on the bells of the church' by the Rev. H. T. Ellicombe, M.A., F.S.A., and was presented by the officers and staff of the West Midlands Area Administrators (Forage Committee), R.A.S.C., Cheltenham, where Sergt. Morris served for six months during 1919.

It will be remembered that Sergt. Morris served over two years in York, under the District Purchasing Officer of Supplies, as clerk-in-charge of the Registration of Correspondence, and equipment accounting. While there he attached himself to the York Minster Society of Change Ringers, and on his transfer was the recipient of a handsome pair of pictures and an address from the members of that society. He also received a 'mention' before the Secretary of State for War for his valuable services rendered in connection with the war, and on his transfer to Cheltenham was placed in charge of the Equipment Accounting of the Forage Department, covering that half of England under the Administration of the West Midlands area.

The volume now presented to him in recognition of his services makes a splendid addition to the many valuable works he possesses on 'bell literature.' It was formerly in the possession of Mr. J. R. Garstin, M.A., F.S.A., of Dublin.

DEATH OF MR. J. I. DOMAN. A LOSS TO LLANELLY, BRECONSHIRE.

It is with deep regret that we have to record the death of Mr. J. I. Doman captain of the Llanelly band of bell ringers, which sad event took place at the Victoria Cottage Hospital, Abergavenny, after an illness lasting four months. The cause of death was consumption, following an operation for a septic abscess in the left groin, which was caused by a wound in the knee, sustained by falling from his motor bicycle in July last. Having sold the motor, deceased journeyed to Burghill to attend the quarterly meeting of the Hereford Guild on August 9th on an ordinary push bicycle. He contracted a chill on the homeward journey and this developed into consumption. Subsequently he was removed to hospital at Abergavenny, where an operation was successfully performed. For some weeks the patient improved, but three weeks before his death he had a relapse from which he never recovered.

Mr. Doman had been a ringer for eight years, learning the rudiments of the art at Llanelly, and further improving at Merthyr Tydfil. Returning to Llanelly, he was elected captain of the local band. Although not a great peal ringer, deceased could ring Grandsire, Plain Bob, Stedman and Kent Treble Bob up to eight bells, and was a member of both the Hereford and Llandaf Associations.

The funeral took place on December 20th, and the service, conducted by the Rev. E. A. T. Roberts, was fully choral. Among the many floral tributes was a wreath from the Llanelly ringers, who acted as bearers. After the committal, the 'whole pull and stand' 29 times (deceased's age) was rung on the tower bells, and on Dec. 22nd a peal of Doubles, with the bells half-muffled, was rung as a tribute to his memory by the local band.

WELCOME HOME.

As a welcome home from service abroad of members of the All Saints' and St. Andrew's ringing societies, Hertford, a quarter-peal of Grandsire Triples was rung for service on Sunday, December 14th, at All Saints' Church by four members of each society: W. Story 1, J. Ladley 2, D. Dye 3, R. Dore 4, A. Wright 5, V. Neale (conductor) 6, H. J. Gray 7, G. Gray 8.
