LONDON COUNTY ASSOCIATION.

The London County Association, the third of the great Metropolitan societies, is coming much into prominence again, and the past year's work, reviewed at the annual meeting the other day, shows that it is once more taking the place in the campanological world that it occupied in years gone by when societies were not so numerous as they are to-day. Founded originally as a link between the College Youths and the Cumberlands, whose rivalries in the preceding years had led to some big ringing feats, the society has had a career of nearly a century, and has admirably served its purpose. It has always been an unwritten law that a member of either the College Youths or Cumberlands ceases to be a member of the one society as soon as he joins the other. In those early days there were not the numerous neighbouring organisations that there now are, and the consequence was those old pioneers were unable to ring peals together under the auspices of any common society. St. James's Society, formed in 1823, was the outcome of an attempt to surmount this difficulty, and the leading members of the generations of ringers that have since passed through the London bell-fries have met on the common ground which this organisation provided. With the growth of ringing the society expanded its sphere, and, much to the regret of some lovers of old tradition, changed its title.

But the society has most certainly justified its wider territorial name. It has carried its activities into a much larger circle of towers; it has drawn in ringers who are not even members of one of the two older societies, and it has shown its capacity and enterprise by organising upon the lines of the larger modern provincial ringing societies, by decentralising into branches and holding periodical district meetings. All this is a sign of virility, but we are not quite sure that in the process of expansion the Association is not, to some extent, losing its tradition. It is still open to be made the meeting-ground of the College Youths and Cumberlands, but its purpose now goes much beyond this. No one, however, will quarrel with the wider scope which the Association now adopts, and, in the hands of a body of energetic officials, it is more than justifying its existence. Like its progenitors, it has now well established headquarters. St. Clement Danes is the parent church, and the society is exceedingly fortunate to find a Rector so deeply interested in its welfare as the Rev. W. Pennington Bickford. The future of the London County Association is promising. There is a large field of work open to it, and it might well turn its attention to getting regular ringing at more of the churches which lie within the inner London area, and using its influence to get restored some of those rings which at present hang in a state of sad disrepair.

The Milton-next-Gravesend, Kent, ringers inaugurated and carried out a highly successful whist drive and dance to raise funds for new bell ropes, and the effort resulted in a splendid balance of £13 1s. 6d. The prizes and refreshments were kindly given by the ringers and friends, and the leader, in the absence of the customary 'hobs,' conducted the affairs with the whistle. New ropes have been obtained, and it is whispered that the next move is to 'go' for two new bells to complete the octave.

BELFRY GOSSIP.

A most interesting anniversary fell on Wednesday, for it was on February 23rd, 1783, that, according to 'The Clavis,' the first peal of Cambridge Surprise was rung. This was at St. Giles-in-the-Fields by the Ancient Society of College Youths (there were two societies of College Youths at that time), and was 'deemed the greatest performance ever achieved in the Campanistanean Art, as so intricate a method was never practised by any other set of men whatever.'

'Indeed,' says this ancient record, 'the same people (except one) did ring a peal in this same method and at the same place on Sunday, January 30th, 1780, they being then London Youths, but as this was rung with the tenors together it proved false on the new discoveries which happened about this time, and was the cause of their ringing another peal.'

It may be added that the composition rung in 1753 had the tenors parted in some courses. It was left to Charles Middleton to find a peal of Cambridge Surprise with the tenors together throughout.

Henry Johnson, whose memory will be honoured by the gathering at Birmingham to-morrow, was born on February 28th, 1809, and forty years ago on Monday next his 72nd birthday was celebrated by a record peal of 9,238 Stedman Cinques at St. Martin's, which the old gentleman composed and took part in. Mr. John Buffery is the only survivor of that band.

To-morrow is the anniversary of a peal of 10,000 Bob Major rung at St. Mary's, Shrewsbury, in the year 1777, and March 1st is the anniversary of two long peals of Grandsire Caters at Painswick; 8,064 in the year 1734, and 10,080 a year later.

The Cambridge University Guild is one of the oldest of the modern ringing associations, and on February 5th the 42nd anniversary of the foundation of the Guild was celebrated by a peal of Bob Major rung on handbells.

Last week the question was asked as to the first peal of Surprise Minor in which two ladies took part. The information now comes to hand that this was achieved by the Misses Steel, of Bedford, who took part in such a peal at Willington, Beds, on February 21st, 1914, when Miss Dorothy Steel rang the treble, and Miss Evelyn Steel the 3rd. On September 18, 1915, at the same church, both rang bob bells to a peal comprising 720 each of Stamford, Lancashire, Durham, York, Wells, London and Cambridge Surprise Minor. Both peals were rung for the Bedfordshire Association.

An ex-service men's peal has been rung at Norbury, Cheshire, and five out of the six ringers were local men. Of the original band at this tower in 1914 (including learners) seven served in H.M. Forces, and one, Herbert Williamson, made the supreme sacrifice. Of those seven, four are now back in their old places, the other two having fallen off. As, however, one other late member of the forces has joined, there are now five ex-service men as regular ringers.

The bells at the Royal Exchange, a peal of 13 cast by Messrs. Gillett and Johnston, were opened on Wednesday of last week by the Lady Mayoress, and the wonderful tones of these new bells, the first in the City of London to be tuned on the Simpson principle, has been widely commented on.

The carillon, with a tenor of two tons, and weighing seven-tons altogether, plays twenty-one different tunes; but some surprise has been expressed that the Chimes Committee have not had included any Welsh airs, those at present on the barrel being English, Scotch and Irish.

Messrs. Gillett and Johnston have received many congratulations upon the splendid result of their work, the new peal having restored to the City a feature of its daily life, which appears to have been much missed in recent years by those whose occupation takes them to 'the hub of the universe.'

His many friends will learn with much regret of the serious illness of Mr. Raymond J. Wilkins, a member at St. Stephen's, Bristol, at which church also he is a member of the Church Council. The good wishes of the Exercise for his speedy recovery will go out to him. He has been greatly missed in the belfry for the last seven weeks.

The claim to the first peal of Major on the bells at All Saints', Daresbury, Cheshire, made in the footnote to a peal published last week cannot be sustained. The bells were restored by Messrs. John Warner and Sons. They were dedicated at matins on Sunday, Feb. 15th, 1914, and a peal of Bob Major, conducted by Mr. E. H. Lewis, was rung for evensong the same day.

The temporary address of Mr. A. H. Winch (of Leatherhead) is 1, Cliff Street, Whitby, Yorks.

The best ringers sometimes fail, and it is the glorious uncertainty which partly makes peal ringing such an attraction. Last Saturday week, at Southwark, the Kent County Association nearly took its first peal of Cambridge Maximus, but an otherwise splendid performance went wrong in the last lead, and the bells stopped about 20 changes short of a peal after 4 hours 8 mins.

We much regret to record the death of Mr. T. Stuart, of Dalton-in-Furness, who passed away on Monday of last week.

OLDEST BELL RINGER DEAD.**THE PASSING OF MR. JOHN HEATHORN.**

At the advanced age of 97 years, Mr. John Heathorn, England's oldest bell ringer, passed away at Abbot's Hospital, Guildford, last week. Born on January 11th, 1824, Mr. Heathorn learnt to ring just 70 years ago, taking his first lessons in handling a bell at St. Mary's Church, Guildford, where there are six bells. At that time (1851) there was very little change ringing in the neighbourhood, but the company got along well with Grandsire Doubles until they broke up in the early '70's. Mr. Heathorn then went to Holy Trinity Church, and was instrumental in getting the bells rung regularly for Sunday service for some years. The bells, however, were sadly in need of the attention of a bell hanger, and when Messrs. Taylor and Co. put in the eight bells at St. Nicolas' Church in 1879, Mr. Heathorn threw in his lot with a band formed there. He was the only change ringer among them, and progress was very slow; indeed it was nearly ten years before they succeeded in ringing their first 168 of Grandsire. This was in January, 1889, and on May 27th in the same year, Mr. Heathorn, at the age of 65, rang his first peal. From that time onward Mr. Heathorn took part in occasional peals, and altogether rang 23, viz., Grandsire Triples 13, Grandsire Caters 1, Union Triples 1, Bob Triples 3, Bob Major 4, Oxford Bob Triples 1. Mr. Heathorn's last peal was on October 1st, 1902, although he made an unsuccessful attempt for another on his 84th birthday. Born in the reign of George IV. Mr. Heathorn rang for the Coronation of George V., and even had a pull after he had passed his 90th birthday. From August, 1897, Mr. Heathorn was an inmate of Abbot's Hospital, Guildford's ancient almshouse, close under the bells of Holy Trinity Church, whose ringing gave him much delight in the evening of his days. Only in January last a handbell peal, in honour of his birthday, was rung at Abbot's Hospital.

TREBLE BOB VARIATIONS.

To the Editor.

Dear Sir,—While thanking Mr. Trollope for his appreciation of my two variations of Treble Bob, I find myself unable to agree with any of his arguments. We all know how pleasant it is to enjoy good health after a severe illness; but surely no one would expose himself willingly to infection with the object of obtaining that pleasure. If Mr. Trollope's suggestion is to be carried to its logical conclusion, the conductor should introduce some crashing discords into every concert, with the object of making his audience appreciate the good music that came between them; but his orchestra would soon be playing to empty benches if he did so.

I grant that Duffield and Forward are horribly monotonous; but the monotony comes from the lack of variety in the work of the method; not from the music. If it were so, then Double Norwich would share their fate.

Cambridge Royal is better music than Treble Ten, simply because it contains nothing like the two leads in which the tenors are in the slow in the latter.

Mr. Trollope seems to have entirely misunderstood my allusion to 'Worcester.' I was not trying to frame definitions for a bob, but only pointing out that the absence of the three-pull dodge that comes at the bob in the ordinary method tended to monotony.

Having had fair experience in both these methods, I venture to say that no one will find them monotonous, but far more interesting than the parent method.—Yours, E. BANKES JAMES.

MIXTURE WHICH IS A CENTURY OLD.

A Yorkshire ringer writes to us as follows: 'This hybrid Treble Bob, of which so much is being made, was produced by Hudson, of Sheffield, a hundred years ago. He called it "Hudson's New Light," an Oxford Plain lead being used to keep the tenors out of the slow. Tell them quite gently to ring Forward if they want a dodging method with slow work, or send them a lead of London or Cambridge.'

SUSSEX COUNTY ASSOCIATION.

The annual meeting of the Eastern Division was held at St. Clement's, Hastings, on Saturday, Feb. 5th, when members, representing the following to wets, were present: Battle, Brighton, Bexhill (St. Peter's), Eastbourne (St. Saviour's), Heathfield, Hastings (Christ Church, Blacklands), and Salehurst.

Ringing was indulged in during the afternoon at St. Clement's, followed by tea, which was provided at 'The Restaurant,' High Street.

At the business meeting, Mr. W. Franks, of Battle, occupied the chair, and two new members were elected (Mr. E. T. Baber and Mr. Jack Sharp), of St. Saviour's, Eastbourne.

Mr. G. W. Stokes was re-elected hon. secretary, and Messrs. W. Franks, J. Livermore and G. H. Howse were re-elected to serve on the Central Committee.

Bexhill was the place decided upon for the next meeting.

The Chairman made an earnest appeal for increased support for 'The Ringing World.' He pointed out that it was the only paper published in the interests of change ringing, and asked the members to support it wholeheartedly, and take their copy each week, it being the only sure way to make the paper a success.—Mr. A. Piper, of Eastbourne, also supported the appeal.

LONDON COUNTY ASSOCIATION.**SUCCESSFUL ANNUAL MEETING.**

Once again the London County Association has to record a most successful annual general meeting held on February 12th at St. Clement Danes, Strand. Owing to the large number of ringers that attended, it was found impossible for all to have a pull on the 'beautiful bells of St. Clement's.' The association's form of service was used, conducted by the hon. Chaplain, the Rev. W. Pennington Bickford, M.A., assisted by Canon J. H. Ellison, M.A., Rector of St. Michael's, Cornhill; the Rev. E. C. Bedford, M.A., Rector of St. Andrew's, Holborn; the Rev. J. A. Mayo, Rector of St. Mary Matfelon, Whitechapel; the Rev. H. Mayne Young, M.A., Rector of St. George-the-Martyr, Southwark, and the Rev. A. G. B. West, M.A., Rector of St. Dunstan-in-the-East, some 76 members being present. The lessons were read by the Rev. E. C. Bedford and Mr. R. A. Daniell, and an interesting address was given by Canon J. H. Ellison. Commencing with a short account of the meeting of the National Assembly, he urged ringers to make friends with the Parochial Church Councils that they might be recognised as churchworkers by the Councils, which had come to stop. Preaching from 1 Corinthians xii. xiii. and xiv., the speaker applied the words of St. Paul to the work of ringers. Ringers, he said, were peculiarly gifted, and only one person in three was actually gifted for ringing. Punctuality and method particularly were required, and each worker should, if possible, do only a little, but take infinite pains over that little. Everyone who was doing a good work should work for God, which would make them give their best to the work. Ringing was a work that was being done for the whole of the community, but few understood the higher branches of change ringing. Parochial Church Councils should be used to educate the people in these matters, and ringers should get elected to the Councils in order to carry this out.

Those who aspired to religious work, the preacher added, should be religious. If they had love in their bellfries, everything else would follow: loyalty to their fellow members, and a sense of responsibility that they might do the work with an unselfish and generous spirit.

At the conclusion of the service, a move was made to the Parish House, Clare Market, where a most satisfying meal had been provided by the Hon. Chaplain and his wife, the tastefully decorated tables speaking of the thoughtfulness of Mrs. Pennington Bickford, who personally arranged them.

The business meeting followed, the Master (Mr. T. H. Taffender) presiding.—Six new members were elected, including Mrs. Pennington Bickford as an honorary member.

Mr. E. A. Young, as junior auditor, read the balance sheet, which shows an increase in the funds of £11 7s. on the year's working. It was decided to purchase 25 War Savings Certificates.

The Hon. Secretary's report, which was received with approval, showed that 38 new members were elected during 1920, and gave some interesting figures on the past year's peal ringing. Twenty-five peals had been rung, 20 on tower bells, and 5 on handbells, 75 members taking part in them. Eight members had rung their first peal, 26 their first in various methods, two their first with an inside bell, and one his first away from the tenor. It was interesting to note that one member, who was elected in January, 1920, took part in 15 peals, and scored his first of Grandsire Caters, Stedman Caters and Cinques, Kent Treble Bob Royal and Cambridge Surprise Major on tower bells, and Stedman Caters on handbells.

The election of officers aroused considerable interest, the following being successful: Master, Mr. T. H. Taffender; hon. general secretary, Mr. A. D. Barker; hon. general treasurer, Mr. W. G. Matthews; senior steward, Mr. W. H. Pickett; junior steward, Mr. F. W. H. Sergison; trustees, Mr. R. A. Daniell and Mr. E. A. Young; Central Council representatives, Mr. T. H. Taffender and Mr. E. A. Young.

The positions of Master, junior steward and Central Council representatives were contested, but to no purpose, the opposition being badly left in the minority.

Touches on handbells concluded a most enjoyable meeting.

LANCASHIRE ASSOCIATION.

A meeting of the Liverpool Branch was held on Saturday, Feb. 12th, at St. Mary's, Grassendale, members attending from St. Nicholas' and St. Francis' (Liverpool), Farnworth, Garston, Huyton, and local company. Tea was kindly provided by the Vicar (the Rev. H. Johling), who presided over the business meeting, at which three new members were elected, and St. Luke's, Liverpool, was chosen for the next place of meetings.—A vote of thanks was accorded to the Vicar for the use of bells, and also for the tea.—The Vicar, in replying, welcomed the members to the church, and hoped that they would not be long in coming again.—The methods rung during the evening were Plain Bob, Oxford Bob, Kent and Oxford Treble Bob, and Cambridge Surprise Minor.

CUMBERLAND YOUTHS' DINNER.

Owing to unforeseen circumstances it has been found necessary to postpone the annual dinner and concert of the Society of Royal Cumberland Youths to April 2nd. The arrangements made for the previous date will stand for the revised date.

WINCHESTER DIOCESAN GUILD.**GUILDFORD DISTRICT SECRETARY'S RESIGNATION.**

A quarterly meeting of the Guildford District of the Winchester Diocesan Guild was held at Haslemere on Saturday, Feb. 12th, 45 members being present. Towers represented were Aldershot, Farnham, Chiddingfold, St. Nicholas' and Holy Trinity, Guildford, Portsmouth, and the local company; the Rev. E. Banks James also being present. The service was conducted by the Rector, the Rev. — Wragge, and an address was given by the Rev. E. W. Carpenter. Tea was followed by the business meeting, at which the chair was taken by the Rev. E. W. Carpenter. One compounding and three new members were elected.

Mr. J. J. Jones then informed the company that, owing to failing eyesight, he was compelled to resign the secretaryship which he has held since the opening of the district, and he gave some interesting accounts of his early days, when the district was started, and the sorrow he felt of having to take the step he was taking.

His resignation was accepted with regret by all, and it was decided to call a representative meeting of the district to consider the situation.

A vote of thanks to the Rector for the use of the bells concluded the meeting.

A SIX-BELL 'STUNT.'

On Saturday afternoon, Feb. 12th, six stalwart men (one of them being a lady) left Reading for a short journey down the Thames Valley. At Goring they were met by Mr. J. Bower, who did the conducting as far as Streulley, where the light peal of six were raised, and a 720 of Oxford Treble Bob lost in the last lead through the indisposition (to ring) of one of the band. However, a 720 of Bob Minor was finished by: J. Waine 1, R. T. Hibbert 2, Miss S. Davis 3, J. Smith 4, J. Bower 5, Rev. C. W. O. Jenkyn 6. Then over the river to Goring, where the 720 Oxford Treble Bob was finished: H. Simmonds 1, R. T. Hibbert 2, Miss S. Davis 3, A. Wiggins 4, W. Hibbert 5, Rev. C. W. O. Jenkyn 6. It was on the cards to go right away to South Stoke, but the lady said 'No, it is tea-time,' and rather than hurt her feelings we allowed her to take the place of honour and pour out 'the cup that cheers.' Then to South Stoke, and a 720 of Kent Treble Bob Minor was rung in good style: H. Simmonds 1, R. T. Hibbert 2, Miss S. Davis 3, J. Smith 4, A. Wiggins 5, W. Hibbert 6. These are a pleasing peal of six, a treble having been added and the bells rebung in metal frame by Messrs. Mears and Stainbank as a way memorial; and, needless to say, it is a pleasure to ring there. Several old friends had turned up by this time, and Plain Bob, Oxford Bob, Stedman and Grandsire were enjoyed by all and sundry. The writer wishes to thank Mr. J. Bower and other Goring ringers for their kindness and hospitality. H.

KENT COUNTY ASSOCIATION.**LEWISHAM DISTRICT MEETING.**

The quarterly meeting of the Lewisham District was held at Dartford recently. Touches of Grandsire and Stedman Triples, Plain Bob, Treble Bob, Double Norwich, Cambridge Surprise and London Surprise Major were accomplished. Service was well attended, and an address was given by the Rev. Canon L. Savill (Vicar), the prayers being read by the Rev. D. R. A. Williams (curate). Tea followed in the Church Hall, kindly provided by the Vicar, to which about 50 sat down, the Vicar and curate being present; also Messrs. C. H. Steelman and W. L. Parry (churchwardens). A good staff of ringers' wives and friends were present to wait on the company.—At the conclusion of the tea, a vote of thanks, carried by acclamation, was accorded the ladies for their kindness, to which one of them briefly replied.

The business meeting followed, the Vicar presiding.—Mr. R. Brett, of Newdigate, Surrey, was elected a non-resident life member, and six practising members were elected.—Erith (St. John the Baptist) was selected as the place for the meeting in April.

Mr. W. J. Jeffries (district representative) read his report of the Central Committee meeting.—This was adopted, and a hearty vote of thanks accorded to him.

A suggestion was then put forward with regard to making Dartford a ring of ten, and after a little explanation, the Vicar and Mr. L. Parry promised to see what could be done.

Mr. W. Hewett then put forward a suggestion with regard to 'The Ringing World,' and after discussion, the District Secretary informed the meeting that he believed it was settled to raise the price of the paper. On a show of hands it was found that nearly all took the paper.

A hearty vote of thanks was accorded the Vicar for the use of the bells, his address, and the tea.—This was carried with applause, and in reply the Vicar thanked the meeting, and said it had been a very great pleasure to entertain them.—A hearty vote of thanks was also passed to the churchwardens for their presence, to which Mr. W. L. Parry responded.—This concluded the business, and the members again visited the tower for more ringing.

GLOUCESTER AND BRISTOL DIOCESAN ASSOCIATION.**STROUD BRANCH'S SUCCESSFUL YEAR.**

The annual meeting of the Stroud and District Branch of the Gloucester and Bristol Diocesan Association was held at Painswick on Saturday, Feb. 5th. Thirty members from the towers in the branch, and from Gloucester, Dursley and Witcombe attended. Some good ringing was done during the afternoon with Grandsire Triples, Caters, and Cinques and Bob Royal. A ringers' service was afterwards held, and the association's form was used. The Vicar officiated, and an excellent address on the law of liberty was given by the Rev. A. M. Coode (a brother ringer), which was much appreciated.

After the service, by the kind invitation of the Vicar and Mrs. Verey, all were entertained to tea at the Vicarage. The annual business meeting followed, at which the Vicar presided.

The Branch Secretary (Mr. W. Hale) presented the accounts, which showed that the working expenses of the branch for 1920 had been £2 7s. 2d., and the sum of £4 8s. 10d. had been paid to the treasurer of the association. Eleven ringing meetings had been held at different towers, and there were 69 performing and 4 honorary members who had paid their subscriptions. Three new members had been elected, and 11 peals had been rung in the branch during the year, including the record peal of Grandsire Cinques at Painswick of 13,001 changes.

The Rev. W. J. Clay (Vicar of Bisley) was re-elected president, and the retiring officers and branch committee were re-elected en bloc, and heartily thanked for their services.

A hearty vote of thanks was accorded to the local Press and 'The Ringing World' for publishing the reports of the meetings and peals rung in the different towers; also to the clergy, churchwardens and friends at the 12 ancient churches for the use of the bells and kind help to the Diocesan Association.—A hearty vote of thanks was also accorded to the Rev. C. H. and Mrs. Verey for the use of the bells and for their hospitality, also to the Rev. A. M. Coode, for his practical address, and all who had helped to make the meeting so enjoyable.

The tower was again visited, and the bells kept merrily going to Grandsire and Stedman Triples, Bob Major and Grandsire Caters till 9 p.m., when the bells were lowered in peal.

MIDDLESEX COUNTY ASSOCIATION.**S. and W. DISTRICT SECRETARY RETIRES.**

The annual meeting of the S. and W. District of the Middlesex County Association and London Diocesan Guild was held at Isleworth on Saturday, February 5th. The attendance was very good, about 80 members being present. The bells were kept going during the afternoon, and after the business meeting, to many methods, and some good ringing was heard. The service was conducted by the Vicar, and the organist and choir gave their assistance.

The gathering for tea overtaxed the accommodation of the 'London Apprentice,' and many had to be content with a 'stand up' meal.

At the business meeting the chair was taken by Mr. Edgley (churchwarden), who, with the Vicar, had kindly given the tea.

The balance sheet was presented and adopted, subject to audit, and showed a deficit on the year's working of 1s. 8d., which Mr. W. H. Fussell kindly wiped off by a donation.

Many new members were elected, and the officers for 1921 were elected as follows: Master, Mr. C. S. Bird; treasurer, Mr. S. Carter; hon. secretary, Mr. W. H. Hollier; representatives on Central Committee, Messrs. Chandler, Harding and Holloway.

The meeting passed a vote of thanks to the retiring hon. secretary (Mr. W. H. Oram) for his services.

The usual votes of thanks were accorded to the Vicar, wardens, organist and choir, and local ringers, for their help in making such a successful meeting.

BEQUEST FOR BELL RINGING.

By the death of Mr. Robert Marslow, J.P., of Ludlow, the Hereford Guild has lost one of its best supporters, who took a particularly keen interest in the Guild almost from its formation. For a number of years he was one of its representatives on the Central Council, had served as one of the managing committee of the Guild for a long time, and at his death he was hon. auditor. Some twenty years or so ago he took a more active part in bell ringing, and on several occasions he entertained the members to tea when the annual festivals were held in his neighbourhood. He had rung one or two peals.

By his will he bequeathed to the Rector and churchwardens of St. Lawrence's, Ludlow, £200, in trust, the income to go to the Ludlow Branch of the Hereford Diocesan Guild to encourage the science of bell ringing.

The annual gathering of the Berks and Bucks Branch of the Oxford Diocesan Guild is proposed to take place at Old Windsor, on Easter Monday, March 28th. A good day's programme is being prepared, and several adjoining rings of eight will be available. The Hon. Secretary advises ringers to 'get that new cycle tyre ready and watch 'The Ringing World.''

A Page for Sunday Service Ringers.

Recognising that the first and essential duty of a ringer is service to the Church by utilising his art to call the public to worship, we are taking the earliest opportunity, now that the paper is enlarged, to make special provision for this phase of the work in the belfry.

There are many thousands of ringers whose interest lies almost solely in this Sunday duty, and who only occasionally indulge in a peal. Their performances, therefore, do not often find their way into print, and, especially in the period through which we have just passed, the publication of their touches on account of the limitation in the size of this journal, have been almost eliminated, not through any fault of ours, but by sheer force of circumstances.

These ringers, however, have a claim to greater recognition, and we hope to meet it by making this page a permanent feature, so that

preference to those reports which reach us not later than the Tuesday morning following their performance on the preceding Sunday. We cannot, of course, definitely promise to publish everything that is sent to us, for it may happen that we may be overwhelmed with 'copy' of this kind; but, so far as there is conformity to the above suggestions, we will do our best.

HIGHEST IDEALS IN RINGING.

A MESSAGE FROM THE PRESIDENT OF THE CENTRAL COUNCIL.

It is with great pleasure that I learn that in future the Editor intends to introduce into the 'Ringing World' a special page each week having reference to Sunday ringing for Church services. Such ringing deserves hearty encouragement for many reasons. To employ the music of the bells for the purpose of drawing worshippers to God's House is the highest of the ideals connected with ringing. It shows that ringers do really put first the honour of God, and not their own glorification or the pleasure which they take in their exercise.

It emphasises the fact that ringers are Church-workers, and carry out a real and beautiful ministry entrusted to them. More than that, it presents bell-ringing to the world in general in its most attractive, as well as its most sacred and useful form. I believe that everyone, unless he be a bitter and prejudiced opponent of all religion, loves to hear on Sundays 'the sound of the Church-going bells.' They have a message to the listener even at a distance; they have a call to prayer which he may not obey, but cannot refuse to hear; they have a voice which reaches to inmost heart and soul. By all means, then, let us encourage and promote the best of ringing for Sunday services. And what better can there be than good change-ringing in well-struck touches? everyone joining in harmony with his brother-ringers, and filled with the true spirit of the work in which he is taking a part.

A. H. F. BOUGHHEY

some, at any rate, of the best touches may be placed on record.

But we desire, also, that this page shall provide something more than a mere collection of touches rung, and we shall publish a series of short messages to ringers from their clerical colleagues of the belfry, which we believe will prove an acceptable addition to our 'Sunday Service Ringers' Page.' Several of the well-known ringing clergy have already promised to contribute, and others, we hope, will follow. The first of this series appears to-day, and in it the Rev. A. H. F. Boughhey, President of the Central Council, talks upon the highest ideals in ringing. Next week's message will be by Canon Coleridge.

Another direction in which we hope to make this page useful as well as interesting, is by the publication of touches in various methods of lengths which should prove suitable for service ringing purposes. Many of these touches are being got together from well-known composers, and the aim will be to give what is musical, and, sometimes, something off the beaten track. If these touches cannot be utilised on the Sunday following their publication, conductors may like to keep them for service at some future date.

With regard to the publication of Sunday Service ringing performances, we must ask our readers to use some discrimination in what they send us. The touches which we should prefer to publish would be those which are rung for special occasions, or which mark some interesting advance in the art by the band or some members of it. After these we shall publish quarter-peals on eight bells and 720's on smaller numbers as far as space permits, and we shall give

markedly well throughout. She is the first lady to figure in a quarter in the Ashford tower, and the first lady member of the Romney Marsh Guild to score a quarter.

NEWCASTLE CATHEDRAL GUILD. UNVEILING CEREMONY AND DINNER.

An 'Armistice' peal tablet and another commemorating a peace peal, rung at Newcastle Cathedral, were unveiled in the Cathedral belfry on January 27th by Sir Arthur Sutherland, who was Lord Mayor of the City at the time the peals were rung—the first on Nov. 11th, 1918 (Stedman Cinques, the only 12-bell peal rung in the United Kingdom that day), and the second on July 21st, 1919 (Stedman Cinques).

Mr. C. L. Routledge (Ringing Master) welcomed Sir Arthur, who made an interesting speech on bells, and unveiled the oak tablets.

After a dedicatory prayer by Canon Newsom, Mr. W. Story, president of the Northumberland and Durham Association, moved a vote of thanks to Sir Arthur, which was seconded by the Vicar.—Ald. Robinson, in support, recalled the fact that Sir Arthur's father was sheriff when the new peal was installed.

At the conclusion of the ceremony, a short touch was rung, and Mr. George Renwick, M.P., in a few genial words, wished the Cathedral ringers every success.

Subsequently the Guild held their annual dinner in the Collingwood Restaurant. Mr. C. L. Routledge presided, supported by the Vicar of Newcastle (Canon Newsom, M.A.), Alderman Robinson and Mr. E. W. Lidderdale (churchwardens), Rev. E. D. Clark, Mr. W. Story (president of the Durham and Newcastle Association), Mr. E. E. Ferry and Mr. Ben Dixon (joint secretaries of the Diocesan Guild) and Mr. R. Thompson (senior vergers of the Cathedral). An excellent repast was served.

After the toast of 'The King' had been honoured, the toast of the Vicar was submitted and replied to by Canon Newsom in a most encouraging speech. He complimented the ringers upon their fine work in the Cathedral belfry, and, referring to Sir Arthur Sutherland's remarks at the unveiling, that in olden days 'the bells were thought to drive evil spirits away,' said that undoubtedly when the merry peal of the Cathedral was ringing it drove away the evil spirits of present-day life—passion, greed, discontent, and all that tended to make people unhappy, and in their place the joyful sounds of the bells helped them to think of all that was good and best in life. The bells had their message to the city, and he knew how Newcastle people loved the old Cathedral, and, not least, its bells.

Alderman Robinson replied for the wardens, and said how deeply they were indebted to the Guild for their services, and how greatly they appreciated the splendid way in which the bells were rung. He supported the Vicar in the promise that they (the Vicar and wardens) should provide the annual dinner of the Guild next year. He had taken a deep interest in the ringing of the bells in his 39 years in office as churchwarden, and he considered the Guild's ringing the finest he had known on the Cathedral bells.

The President of the Durham and Newcastle Association (Mr. W. Story) made a strong appeal on behalf of 'The Ringing World,' and stated that not only should it be in every belfry, but that every ringer should be a reader and interest others. He asked all present to help to that end. It was a great joy to him to look up the old numbers of 'The Ringing World' and see the peals of the past.

Mr. Routledge, Ringing Master, supported Mr. Story in his appeal.

The Guild were also complimented on the artistic addition to the belfry in the two peal boards unveiled that evening, commemorating the great historic events of the war, the armistice and the signing of the peace treaty, and the Newcastle belfry bids fair to be one of the finest furnished with the many great and historic peals that have been recorded.

The sympathy of the gathering was extended to Mr. Alfred Dalton, one of the Guild members, in his illness which had prevented his taking part in ringing for some time, and the hope was expressed that he would soon be restored to health again.

The harmony of the evening was contributed to by Alderman Robinson, Messrs. Ben Dixon, E. Ferry, and friends, and members of the Guild rang touches on the handbells. A most enjoyable evening was spent.

HEREFORD DIOCESAN GUILD.

The annual meeting of the Prestoign and Leominster District was held at the Priory Church, Leominster, on January 29th, when over 30 members attended and enjoyed ringing on the fine peal of ten. Service was conducted by the Vicar (the Rev. R. Gillanders, M.C.), and was followed by tea and business meeting, at which the Vicar presided.

The District Secretary (Mr. A. Talbot) read a short report of the year's work, which showed that the district had a balance in hand of £3 4s. 6d., and a membership of 79. The balance sheet was passed as very satisfactory. It was proposed to hold the next meeting at Aynestry on April 30th.—Mr. C. Edwards, who proposed a vote of thanks to the Vicar for presiding, and for the use of the bells, congratulated the district on the progress made.

After the meeting members returned to the tower, and touches of Grandsire Doubles, Triples and Calers and Bob Major were rung.

NORWICH AND IPSWICH ASSOCIATION.**SUFFOLK BRANCH AND THE CHURCH COUNCILS' POWERS**

The third general meeting of the Suffolk Branch of the Norwich and Ipswich Association of Change Ringers was held at Leiston. The bells of the Parish Church were open to the members all day, and well-struck touches were rung in a great many methods. The Rev. E. M. Girling presided at the business meeting, and was supported by the Rev. H. Drake (Ufford), Messrs. E. Evans (Branch Secretary), F. C. Lambert, G. Wilson, and C. E. Fisher (District Secretaries). The election of Mr. Wm. Rose as secretary for the Eye district was confirmed, and the Rev. Girling was elected an honorary member of the Association.

The Rev. H. Drake explained Clause 6, Section III. of the Church Council (Powers), and said that no doubt the bell ringers there mentioned were those appointed to toll the bells for special services and funerals. It would be well to have this clearly defined, and suggested that the members present should pass a resolution such as that passed at Diss at the Norfolk Branch meeting.

Mr. E. Evans referred to the pleasant relationship existing under the present system between the clergy and ringers, and as change ringers were, generally speaking, voluntary workers, Canon Baker's letter pointing out the danger of their being 'appointed' came as a surprise to most of them, and he moved that the general secretary's resolution be adopted, viz.: 'That this Association deprecates the inclusion of bell ringers in Clause 6, Section III. of the Church Council (Powers) Bill, and is of opinion that the words "bell ringers" should be omitted from this, as it considers it detrimental to the best interests of bell ringers and the art of change ringing to subject the ringers to any authority other than that of their parish priests.'

Mr. F. C. Lambert seconded, and the motion was carried.

It was decided to hold the next meeting of the branch at Ipswich on Easter Monday.

A vote of thanks was passed to the Rev. E. M. Girling for presiding, and for granting the use of the bells.

**CENTRAL NORTHANTS ASSOCIATION.
NORTHAMPTON DISTRICT.**

A quarterly meeting was held at Ecton on February 5th, when about 30 members were present from Weston Favell, Cogenhoe, Brafield, Wylby, Northampton, Moulton, and the local tower. Evensong was conducted by the Rector (Canon Jepson), who gave the ringers a hearty welcome to Ecton. After service the Rector called attention to the beautiful photo album containing the photos of all the 88 men of Ecton, who served in the army during the great war. The novelty of this album is that it is bound in oak, which was grown at Ecton. There is also in the belfry a tablet of beaten copper on which are the names of the local ringers (five in number), who made the supreme sacrifice in the great war.

After tea, in the absence of the Rector, Mr. Law presided at the business meeting, and took the opportunity of thanking the members for the presentation they had made him. He also urged the members to support 'The Ringing World.'

Old Duston was chosen for the next quarterly meeting, and Hardingstone for a special meeting on the 9th April.
