THE ASSOCIATIONS & THE COUNCIL

Many of the most important ringing associations are now preparing for their annual meetings. There are quite a number of such gatherings between Easter and Whitsun, leading up to the meeting of the Central Council, which is held on Whitsun Tuesday. This year there is a closer relationship between the meetings of the associations and that of the Council, as the triennial election of Council representatives has to be held. For some time past there has, happily, been a growing recognition of the importance of these elections. At one period there were associations who regarded this item of business as quite a casual part of the agenda and often chose their representatives with little regard to their knowledge of ringing and ringing affairs. The whole outlook with regard to the Council meetings has, however, gradually changed. The associations realise that the central body plays an important part in the organisation of the 'universe' in which they revolve, and have chosen their representatives accordingly. While each has its own work to do in its own sphere, it is recognised that there must be some kind of authority to weld the Exercise together, to guide the development of the art, to represent the united voice of the ringing fraternity; and the Central Council is filling this role. With the passage of years, and the growth of the recognition of its representative position, the Council has been able to speak with increasing weight for the Exercise, its expanding prestige being due to the greater importance with which it is regarded by the associations. The value of the Council, as has so often been said, is exactly what the societies make it, and the increasing care with which representatives are now selected is giving the Council an added authority, felt even outside the ranks of ringers.

The time has now arrived when the internal organisation of the Council should be tightened up, and at the next meeting it is proposed so to amend the rules that the constitution of the Council will be based upon affiliated societies instead of upon merely a body of elected members. The members will still represent their societies; but the Council will be the kernel, as it were, of the societies themselves. This, it is believed, will bring the associations into closer relationship with the Council, because the Council will really be a part of themselves; they will have a more direct interest in the Council's proceedings and a positive responsibility for the Council's work. This alteration in the constitution, and other changes that follow in its train, will be worked out in the next session of the Council. It will be well, therefore, if the associations study the situation with a view to discussing it, if necessary, at their

forthcoming meetings and electing members of the Council who can adequately represent their views. The proposed new rules were published a year ago and have been held up during this last twelve months to give everyone concerned ample time to consider them. There is unlikely to be any material alteration in the draft rules between last year's report to the Council and this year's recommendations of the committee, but it is hoped that the proposals will be published in detail in time for consideration at the meetings held at Easter.

SUDDEN DEATH OF A LANCASHIRE RINGER.

We regret to announce the death of Mr. James T. Potter, the chief ringer at Eccles Parish Church, Lancashire, and formerly one of the band at Walkden, who passed away suddenly on March 13th. He was buried at Peel Green Cemetery on March 17th.

On Monday, March 20th, at St. Paul's Church, Walkden, a quarter-peal of Grandsire Triples was rung with the bells fully muffled as a last token of respect: Miss A. Potter 1, M. Berry 2, A. Potter 3, James Denner 4, John Denner 5, A. Burton 6, John Potter (conductor) 7, R. Denner 8.

'PEAL GRABBERS.'

To the Editor.

Dear Sir,—I read with interest the letter of Mr. Roger Smith in the last issue of 'The Ringing World,' and must again ask you to excuse me for trespassing on your valuable columns. It is quite an easy matter, as the saying goes, if you have no case, to abuse the other side; and I read of nothing but abuse from start to finish of Mr. Smith's letter. I would first of all ask what he can know of either me or my affairs with the Peterborough Guild, seeing that it is six years since I ceased having anything to do with that body, and, until January of this year, only four years since Mr. Smith came to Northants, during which time he and I have met only once. Previous to this I believe I am right in saying that he was not a ringer. Is not his knowledge of my affairs simply hearsay? Another point where Mr. Smith, like many others around Wellingborough, seems to be mistaken is in thinking that, by my address at the foot of letters being given as Wellingborough, I am referring simply and solely to the ringers of that district, a point which ought to be cleared up. Those who do really know the true facts know that the origin of the grievance between the Peterborough Guild and me was in another part of Northants altogether, where I lived long before I set foot in Wellingborough, and that, like poison, it has spread. Many in the district were prejudiced before they had ever seen me, as, I think I am correct in saying, was the case with Mr. Smith.

Yes, Mr. Smith is quite right in saying that I am not a member of the Peterborough Guild and that I take no part in ringing in or near Wellingborough. Where I get civility I go; hence the reason of my ringing interests being taken to Leicester, Stamford and elsewhere. In quoting Leicester I have in mind a ringer, well known to the Exercise, from whom it might be well if some of these 'Surprise peal grabbers' took a pattern. It matters not whether it is Cambridge Maximus or Grandsire Doubles, anyone wanting help through a peal will find it always forthcoming where this gentleman is concerned. This I say, is the type of ringer that is needed; not the grabbing sort who thinks of no one's pleasure but his own.

Wellingborough.

P. AMOS.

If 'Interested' will send his name and address (not for publication), we will print his letter.

BARNSELY AND DISTRICT ASSOCIATION.

WATH WANTS TWO MORE BELLS.

The monthly meeting of the Barnsley and District Association was held at Wath-on-Dearne on Saturday, March 11th. Ringers were present from Darfield, Dewsbury, Felkirk, Hoylandswaine, Rawmarsh, Royston Sandal and the local company. Ringing commenced soon after 3 p.m. and continued in various methods until 5 p.m., when an adjournment was made to Warburton's Cafe for tea. Afterwards the business meeting was held in the Church House, the Vicar (the Rev. L. E. Meredith) presiding.

Mr. F. C. Wilson, of Rawmarsh, was elected a member, and Ackworth was accepted as next place for meeting on Saturday, April 8th.

A vote of thanks was extended to the Vicar for presiding and the use of the bells. In replying, he said he would be pleased to welcome the ringers to Wath at any time it was convenient for them to come.

Mr. Moxon moved that best thanks be extended to Mr. Ricketts for his generosity in defraying the cost of the tea. This was carried vociferously, and Mr. Ricketts replied. He hoped it would not be long before the bells were recast and two more added, thus encouraging more to be present.

A collection was then made towards the Hoylandswaine bell fund, which resulted in £1 being handed over to Mr. E. Brookes, who was taken rather by surprise and expressed his thanks for the donation.

Further ringing on handbells and tower bells followed.

GUILDFORD DIOCESAN GUILD.

A pleasant meeting of the Guildford District of the Guildford Diocesan Guild was held at the village of Puttenham on March 18th, when over 30 ringers were present from a dozen towers, and some good practice in Minor and Doubles was put in on the light ring of six bells. The Rector (the Rev. S. Power) conducted the service, and in his address welcomed the Guild. He presided afterwards at the tea and meeting, and was cordially thanked for granting the use of the bells and for holding the service. The organist was also thanked.

A collection for the Admiral Walker Memorial Fund amounted to 14s.

A temporary stop was put to the evening ringing by a broken rope, but there were handy men present, and the proceedings were not long delayed.

A DATE TOUCH.

A date touch of Grandsire Triples (1,933 changes) was rung at All Saints', Hastings, on Tuesday, March 21st, in 1 hour 15 mins.: J. White 1, A. Easton 2, W. Bradfield 3, R. Wise 4, S. Driver 5, G. Piper 6, A. Levett (conductor) 7, W. Levett 8. Longest length by ringers of treble, 4th and tenor.

SHEFFIELD AND DISTRICT SOCIETY.**A SUCCESSFUL YEAR.**

The annual meeting of the Sheffield and District Society took place at St. Marie's Church, Sheffield, on Saturday, March 11th. Ringing at the Cathedral of St. Marie took place during the afternoon, several members having their first pull on 10 and 12 bells.

At the business meeting Canon Dolan, who occupied the chair, asked those present to stand in silence as a mark of respect to the late Mr. E. Robbins, of Bolsover.

The balance sheet was presented and accepted, the auditors' report stating that the accounts were quite in order.

The secretary (Mr. W. E. Wilson) gave his report, stating, on the whole, the society was in a sound position, turning the year with a balance in hand. From a ringing standpoint, progress was being made. A good number of peals had been rung, which included first peals for many.

All the officers were re-elected unanimously.

It was decided not to hold the cup contest for 1933.

The monthly meeting fixtures for the ensuing two years were discussed and accepted.

The President (Mr. C. Haynes) thanked Canon Dolan for coming to the meeting and taking the chair, also for placing the room at their disposal.—Canon Dolan, replying, said the society were always welcome at St. Marie's.

Further ringing took place at St. Marie's and brought to a close a very successful gathering.

PROGRESS AT PERRANARWORTHAL.

The peal rung at Perranarworthal on March 18th, although only Grandire Doubles, is pleasing from the fact that the three who rang their first peal were, up to two years ago, rooted and grounded in 'rounds and call changes.' After a little persuasion on the part of Mr. C. Nicholls, who rang the treble, the local band at St. Gluvias, to which tower they all belong, managed Bob Minimus on the middle four bells with treble leading and tenor covering, and it certainly laid a foundation for further progress.

Although the honour of assisting in their first peal fell to three members of Truro Cathedral Company, the names of Lt.-Col. C. F. Jerram and Mr. G. W. Taysom (late of Hereford) should be mentioned, as they have for several months been instructing and assisting the local band at St. Gluvias. Already one of the band has rung his first 120 of Stedman Doubles. It is good to find method ringing rooted in one more tower in Cornwall. May the infection spread!

YORKSHIRE ASSOCIATION.**WESTERN DIVISION VICE-PRESIDENT RETIRES.**

The annual meeting of the Western Division was held at Horbury (near Wakefield) on Saturday, March 18th. The bells were kept going in various methods during the afternoon, and divine service was conducted by the Vicar (Canon J. B. Hill), who based his address on the words from Psalm cl., 'Praise Him on the well tuned cymbals.' In the course of a very interesting address the preacher referred to the ancient customs connected with bells and the manner in which they had played their part in the life of the country.

Tea was served in the Vicarage Classroom, and the business meeting followed, with Mr. J. Cotterell (vice-president) in the chair. A letter of apology was received from Mr. J. Broadley, who was unable to be present owing to the illness of Mrs. Broadley.

A vote of condolence was accorded to Mr. J. Hardcastle, who had recently lost his wife, also to the local company, who had sustained the loss of two of their members in Mr. Hunt and Mr. Mitchell. The motion was passed by the members standing in silence.

Mr. Cotterell having expressed a wish to retire from the vice-presidency and only one nomination having been sent in, Mr. P. J. Johnson, of Headingley, was elected on the motion of Mr. T. G. Sherwood, seconded by Mr. J. W. Moorhouse.—Mr. W. H. Senior voiced the thanks of the meeting to Mr. Cotterell for his services during his term of office, and Mr. Cotterell suitably replied.

No new nominations were forthcoming for the committee, the retiring officers were re-elected, viz., Messrs. R. W. Jennison, T. W. Strangeways and W. E. H. Ash. It was resolved to hold the June meeting at Heptonstall.

A vote of thanks to the Vicar and churchwardens for the use of the bells and for his splendid address, also to the organist, was proposed by Mr. J. Cotterell and seconded by Mr. H. Lofthouse.—The Vicar, in replying, extended a hearty welcome to the ringers and expressed his pleasure at being present.

A vote of thanks to the local company for the arrangements made and to the ladies for providing tea was accorded on the motion of Mr. J. Lawson, seconded by Mr. C. D. Potter.

This concluded the business and the tower was visited for further ringing.

The following towers were represented: Armley, Batley, Birstall, Bradford Cathedral, Barnsley, Drighlington, Dewsbury, Earlsheaton, Headingley (St. Michael's and St. Chad's), Holbeck, Leeds Parish, Lindley, Lightcliffe, Mirfield, Ossett, Queensbury, Keighley, Pudsey, Sandal, Wakefield and the local company.

BELFRY GOSSIP.

There has been very little Surprise peal ringing on handbells in recent years, and the performance of the band at Oxley last week in ringing the first peal of Cambridge Surprise Major 'in hand' is not only interesting, but one on which they are to be congratulated. Previously only New Cambridge had been rung on handbells.

The name of the ringer of the 2nd in the peal of Double Norwich at Witham on March 18th was Redgwell, not Ridgwell as printed, and the weight of the tenor should be 18 cwt. and not 15 as stated.

The annual meeting of the Middlesex County Association is to be held at St. James', Clerkenwell, on Saturday, April 22nd, not the 29th as printed in the report of the South and West District meeting.

We are asked to say that the half-muffled peal rung at Eltham, Kent, on July 21st, 1932, should have been credited to the Kent County Association.

The peal of Doubles rung at Grafton Underwood and published last week should be credited to the Peterborough Diocesan Guild. We would again ask correspondents to take care that all essential details are included in their reports.

The new Southern Division of the Sussex County Association has been unfortunate in its experience. The first meeting was arranged for Ringmer and had to be abandoned at the last minute on account of illness near the church. An exactly similar experience befel the district last Saturday, when a meeting should have been held at Uckfield. The district hon. secretary wishes to express his regret to any who had a lost journey on Saturday.

THE DAVIES MEMORIAL.

As our readers know, the scheme for the memorial to the late Rev. C. D. P. Davies at Tewkesbury Abbey is in two parts, the addition of trebles to make a ring of twelve bells and the furnishing of a ringers' chapel.

Out of the amount which has already been subscribed, the Management Committee of the Gloucester and Bristol Diocesan Association have authorised a cheque for £75 to be sent to Tewkesbury in order that the chapel portion of the memorial may be proceeded with.

STEDMAN TRIPLES.

To the Editor.

Dear Sir,—I am most grateful to Mr. Pye and Mr. Bayley for their letters re the above, although they put me (especially Mr. Bayley's, with its reference to a 'variation,' etc.) in, apparently, rather a difficult position; but I assure you it is more apparent than real, and it has led me to query whether they both refer to a different composition to the one in question. Neither writer gives nor refers to the figures, except to say that the three-course block in one case was Thurstans' and the other Brook's.

Last May I wrote to Mr. Trollope (in view of some work his committee has in hand for the Central Council) telling him, in all good faith, that this particular composition was first rung at Kidlington on August 8th, 1904, and, as I said in my letter of March 3rd, it was 'composed and conducted by James W. Washbrook.' The composition followed the peal report. The Rev. C. W. O. Jenkyn would probably be able to verify this, as he rang the 7th to the peal, a copy of which, taken from the Oxford Diocesan Guild report, I enclosed in my letter to Mr. Trollope.

Now a few words in reply to the letters published on February 10th and March 3rd. As to the first, I do not, and have not, claimed any variation of Washbrook's peal as mine. Then as to the date on the cards I printed and circulated: in view of the publication of the transposition of the peal (for that is all it is) on February 4th, 1927, I decided to put on them the date of printing and not the date of writing the copy out, which was some two months before. Partial proof of this will be found in 'The Ringing World' of February 18th, 1927, where, in a footnote, the Editor says, 'Some variations and transpositions by Mr. Cave will be published at a later date.'

Since January, 1900, when I printed the plain course of Bristol Surprise Major for free distribution, I have printed many odds and ends of touches and methods with the same object. It might interest the band who recently rang the peal of London Surprise Royal at Beddington, for instance, that the method was printed and circulated among the ringers at St. Stephen's, Bristol, some ten or eleven years ago as the production of the Rev. E. Bankes James.

W. A. CAVE.

P.S.—Would Mr. Bayley (or anyone interested) kindly tell us when and where the peal was first called with the singles at 9 and 11, instead of 2 and 14.—W. A. C.

APPLETON RECORD PEAL BAND.

By a misprint, the names beneath the photograph of the Appleton Record Peal Band, which appeared in our last issue, were given in the wrong order. Those sitting down were (from right to left) C. G. White, W. Simmonds, G. Holfield, sen., F. E. Taylor, R. A. Post and W. F. Judge. Those standing were (from left to right) R. T. Newman, F. D. Boreham, G. Holfield, jun., R. White and F. White.

DEATH OF MR. J. A. GOFTON.

A TALENTED WHITLEY BAY RINGER.

One of the most popular and brilliant ringers and conductors in the North, if not in the whole country, has passed away in the person of Mr. Joseph Albany Gofton, known to his friends and relations as 'Jack.' A younger brother of the late Mr. Tom Gofton, he was equally clever in the science; one of those who never lost sight of a bell throughout a peal, especially when conducting, and the more intricate the method, London or Bristol Surprise, for instance, the more he was in touch with every bell, and spotted a fault almost before it was made. This kind of ringer is a heavy loss to the Exercise, as such talents are rare, but when they are found combined with a kindly nature and lovable disposition, it makes the parting doubly felt.

Mr. Gofton was only 50 years of age, but he had put in an enormous amount of belfry work, as his list of 222 peals will show. His health was badly undermined by his war experiences. He had been badly gassed and also suffered the rigours of a German prisoner-of-war camp, so much so that in 1925 he had to forego ringing, his last peal being one of Superlative Major in June of that year. His health improved, but his medical man would not allow him to resume his beloved hobby; even the lesser strain of a handbell peal was vetoed as well. He kept in touch, however, with ringing by attending many of the association meetings in Northumberland and Durham, kindly placing his ear at the service of others when the gathering was some distance away.

He was laid to rest in the family burial place on Saturday, March 18th, in Whitley Churchyard, a large concourse of relatives, friends, ringers and Masonic brethren attending. The choral service in St. Paul's Church, conducted by the Rev. F. L. Dowland, was most impressive, and after the committal prayers at the graveside, a course of Grandsire Triples was rung by C. L. Routledge 1-2, J. Anderson (president of the Durham and Newcastle Diocesan Association) 3-4, W. H. Barber 5-6, J. E. R. Keen 7-8. This was followed by the usual Masonic anthem.

For the service itself the bells were rung muffled in a touch of Stedman and then the 'whole pull and stand' by A. Tully (North Shields) 1, G. R. Holmes (Tynemouth) 2, J. Anderson 3, J. L. Gray (North Shields) 4, J. Davidson (Newcastle Cathedral) 5, J. E. Scott (North Shields) 6, J. E. Keen (Newcastle) 7, A. Deas (Gosforth) 8. Afterwards a peal of Kent Major was attempted, in which W. H. Barber (Newcastle), W. Brown (Chester-le-Street) and J. Richardson (Gosforth) took part. This, unfortunately, collapsed through the breaking of a stay after half an hour's ringing. And so we bade farewell to one whom we all loved well, a man of principle and infinite talents, a good husband and father, and everything good to his fellow-men. R.I.P.

ELY DIOCESAN ASSOCIATION.

SUCCESSFUL VISIT TO FIVE-BELL TOWERS.

A very enjoyable meeting of the Ely Archdeaconry was held at Dullingham on Saturday, when members attended from Cambridge, Epping, Fen Ditton, Fulbourne, Newmarket, Sawston, Stetchworth and Trumpington, and there was a splendid muster of the local band.

Service was conducted by the Vicar, who, in the course of his address, advised ringers to study the wonderful old churches they visited and not to confine their interest to the tower.

It was a great pleasure to elect the local band en bloc. During the evening several visitors had a 'pull' at Stetchworth. Grateful thanks are due to Mr. Twitchett for having made all arrangements.

Members are asked to note that a meeting has been arranged at Guilden Morden on April 8th (see notice in advertisement columns). Bourn bells are not available, so the quarterly meeting on May 20th will, all being well, be held at Sawston. A good muster is much desired. If possible, Sawston Imperial will be one of the methods practised. A diagram of this method can be had on application to the district secretary.

PRESENTATION TO A NORTH STAFFS RINGER.

A meeting of the Crewe Branch of the Chester Diocesan Guild was held on Saturday, March 18th, at Lawton, Cheshire, and was splendidly attended, about 50 ringers being present. A very hearty welcome was extended to the Guild by the new Rector (the Rev. W. England), who said it was the first time he had had the pleasure of meeting the members. He was most agreeably surprised to find what a lot of splendid fellows they were, and he sincerely hoped to have the honour of meeting them again. Proceeding, he said he had a very pleasant duty to perform, and that was to hand over to Mr. W. Righy a complete list of peals which he had rung for the North Staffordshire Association. The list had been compiled and written by and was the gift of Mr. J. E. Wheeldon to Mr. Righy, who had completed 50 years as a ringer. He thanked Mr. Wheeldon for the great trouble he had gone to in tabulating these peals, and he would that it was surrounded by a suitable frame.

The Rector moved a vote of thanks to Mr. Hollinshead for generously providing the tea, which was heartily accorded.

After tea the Lawton ringers regaled the company with tunes on handbells, which were manipulated in a wonderful manner under the baton of their leader, Mr. W. Righy. The tower bells were afterwards set going until 8.30, the ringing terminating one of the most successful meetings ever held in the beautiful village of Lawton, which is one of the very fine jewels to be found on the Cheshire plain.

J. E. W.

40 YEARS AGO: A MIDDLESBROUGH ANNIVERSARY.

Forty years ago the first peal of Major was rung on the bells of the Middlesbrough Parish Church, and the following record of that peal can be seen on a board hung in the belfry:—

Durham and Newcastle Association.

On Monday, March 20th, 1895, in 2 hours and 48 minutes, a peal of Kent Treble Bob Major, 5,088 changes: M. Bradley treble, J. J. Nicholson 2, J. H. Jones 3, R. Alcock 4, C. L. Routledge 5, J. W. Passman 6, A. McFarlane 7, J. H. Blakiston tenor. Composed by W. Royle and conducted by J. H. Blakiston. This is the first peal of Major rung on the bells.

The present ringers of the Middlesbrough Parish Church decided that an attempt should be made to ring the same peal on the 40th anniversary of the original, and our peal columns show that this has been accomplished.

It is interesting to note that, as far as can be ascertained, of the original band only Mr. C. L. Routledge, of Newcastle, and Mr. J. H. Blakiston, of Middlesbrough, are still living.

OXFORD DIOCESAN GUILD.

EAST BERKS AND SOUTH BUCKS MEETING.

In striking contrast to the previous monthly practice, the weather for the Winkfield meeting was glorious. Ringers from all four quarters of the branch turned up, as well as some visitors from 'over the border.' Numerous methods were rung, but the London did not go kindly until late in the evening, when 'Grandpa' rang his first course 'inside.'

A 'reportress' from the local paper turned up and was supplied with information by the Branch Ringing Master to such purpose that after tea she was keen enough to have her first lesson at handling a bell, as was also another young lady, both of them showing great promise.

It is rumoured that the secretary is expecting to be appointed as instructor to the Ladies' Guild, in which case the 'Merry Monarch' must look to his laurels.

Some of the other young men present were rather backward. Attention was drawn to the annual meeting of the branch at Slough on April 29th, and grateful thanks were expressed to Mr. Head for his efforts to make all welcome, with a hope that there will not be another interval of five years before the next visit of the branch.

THE CENTRAL COUNCIL.

OFFICIAL MINUTES OF THE PLYMOUTH MEETING.

Minutes of the Third Session of the Fourteenth Council (40th annual meeting), held in the Council Chamber of the Guildhall, Plymouth, on Whitsun Tuesday, May 17th, 1932, at 11 o'clock.

Prior to the meeting the Mayor of Plymouth, in the chair, supported by the Lord Bishop of Plymouth, extended a cordial welcome to the Council. The President tendered thanks.

The Lord Bishop of Exeter visited the Council during the afternoon session.

SOCIETIES AFFILIATED DURING THE YEAR.

The secretary reported the affiliation of the North Staffs and District Association (one representative) and the Scottish Association (one representative), and the re-affiliation of the Gloucester and Bristol Association (four representatives).

The Truro Diocesan Guild had increased their representation from one member to four members. The Ladies' Guild had increased from one to two members.

UNPAID SUBSCRIPTIONS.

It was reported that the subscriptions of the following societies were still unpaid: Durham and Newcastle Association, Irish Association, London County Association, North Notts Association, North Wales Association, Winchester and Portsmouth Guild.

The President called attention to Rule 5, and intimated that the Standing Committee recommended that the rule be enforced so far as voting was concerned. The rule also implied that members representing societies whose subscriptions were unpaid should not be allowed to take part in the meeting, but the Standing Committee did not wish to insist on this.

Mr. E. A. Young (hon. member) inquired whether, if subscriptions were now tendered, the rule would be satisfied, and the President's ruling was that subscriptions could only be accepted from duly authorised officers of associations.

Mr. Young tendered the subscription of the London County Association, in his capacity of treasurer of this association, and this was accepted.

ELECTION OF HONORARY MEMBERS.

The following members retired according to rule: The Rev. E. W. Carpenter, Messrs. W. A. Cave, J. George, H. W. Wilde.

The resignation of the Rev. E. W. Carpenter was before the Council last year, and the Standing Committee recommended that Messrs. W. A. Cave and H. W. Wilde be re-elected, that Mr. A. Walker, of Birmingham, be elected a member, and that one place be left vacant. On the President's motion, seconded by Mr. J. Parker (Royal Cumberland Youths), the Standing Committee's recommendation was adopted.

PRESENTATION OF NEW MEMBERS TO PRESIDENT.

The following members were presented: Messrs. John Austin, Edgar Guise and Walter Rose, of the Gloucester and Bristol Diocesan Association; Mrs. R. Richardson, Ladies' Guild; Mr. John Phillips, Lincoln Diocesan Guild; Mr. F. Nolan Golden, Norwich Diocesan Guild; the Rev. W. H. R. Trehwella, LL-Col. C. F. Jerram and Mr. H. J. Clark, of the Truro Diocesan Guild; Mr. J. H. W. White, Warwickshire Guild.

Apologies for absence were received from Mr. W. T. Cockerill, Mr. A. King, Mr. A. E. Sharman, the Rev. C. A. Clements, Mr. T. Metcalfe, Mr. J. C. Pollard, Mr. S. J. Hughes, Mr. J. W. England, Mr. T. R. Dennis, the Rev. B. H. Tyrwhitt Drake, Mr. C. H. Howard, Mr. W. J. Nevard, Mr. E. Bishop, Mr. A. C. Hazelden, Rev. Canon H. J. Elsee, Mr. W. Willson, Mr. A. L. Coleman, the Rev. J. B. Frith, Mr. F. W. Hopgood, Mr. W. Collett, Mr. G. Cross, Mr. J. D. Matthews, Mr. H. Knight, Mr. C. Dean, Mr. H. Barton, the Rev. C. C. Marshall, Alderman J. S. Pritchett, the Rev. H. S. T. Richardson, Mr. H. W. Wilde, Mr. S. H. Wood, Mr. J. Griffin.

LOSS OF MEMBERS THROUGH DEATH.

The death of the following members and past members was reported: The Rev. H. Law James, Lincoln Diocesan Guild; Mr. T. T. Gofton, Durham and Newcastle Association; Mr. H. Argyle, Warwickshire Guild; Mr. S. Wood, past member; Mr. T. Salter, past member.

Canon Coleridge voiced the deep regret of the Council and Exercise at the loss of the Rev. H. Law James, and paid tribute to his work. A letter of condolence had already been sent, and the Council was represented by the hon. secretary at the funeral.

On the motion of the President, a formal resolution of sympathy was passed by the members standing in silence, and the secretary was instructed to write to the relatives of Messrs. T. T. Gofton, H. Argyle, S. Wood and T. Salter.

MINUTES OF LAST MEETING.

The minutes of the last meeting were published in 'The Ringing World' dated March 18th, 1932, and copies had been circulated to affiliated societies.

Mr. G. R. Newton (Lancashire Association) drew attention to the omission of a vote of thanks to Mr. W. A. Cave for acting as honorary secretary during Mr. E. A. Young's absence, and it was agreed that this should be inserted.

On the motion of Mr. C. T. Coles (Middlesex Association), seconded by Mr. A. A. Hughes (hon. member), it was resolved that the minutes be taken as read and be approved.

REPORT OF HONORARY LIBRARIAN.

The Rev. C. W. O. Jenkyn (Oxford Diocesan Guild) reported the presentation of the following books:—

History of the College Youths, 1755-1788, by J. A. Trollope, presented by the author.

History and Rule Book and Service Book of the Ancient Society of College Youths, presented by the society.

Twelve copies of 'Bell Towers and Bell Hanging,' by Sir Arthur Heywood and others, presented by Mr. E. A. Young.

'First Five Hundred Peals of the Oxford Guild,' presented by Mr. Young.

The Council was asked for instructions regarding the twelve copies of 'Bell Towers and Bell Hanging,' one of which had been sold by special request.

SALES OF PUBLICATIONS.

Sales were the best since the present librarian was appointed, and showed a balance of £42 9s. 5d. after paying ordinary advertisement account of £9 2s. and special advertising of £3. Sales by 'sale and return' agents showed £10 18s. 11d., but all returns had not been received. The Lincoln Diocesan Guild had purchased a complete stock of publications. Others had purchased larger quantities and thus availed themselves of the discount allowance. Further method sheets of Grandsire, Stedman and Cambridge Surprise had been purchased.

The report was adopted on the motion of the honorary librarian, seconded by Mrs. Fletcher (Ladies' Guild).

The Standing Committee recommended that the honorary librarian be allowed to dispose of all except three copies of 'Bell Towers and Bell Hanging' to representatives of affiliated societies only, at the price of 5s. each. Agreed.

The president, in answer to an inquiry by Mr. J. A. Trollope, suggested that members could watch for old and valuable ringing books with a view to their being secured for the Council's library.

STATEMENT OF ACCOUNTS.

The hon. treasurer presented the accounts for the year, which had been duly audited. Income, including interest on investments £25, affiliation fees £28 5s., subscriptions (honorary members) £2 7s. 6d. and sale of publications less expenses £42 9s. 5d., amounted to £78 1s. 11d.

Expenses, including cost of publications £35 15s. 2d. and grant to Stedman Tercentenary Fund £10 10s., amounted to £64 4s. 9d., leaving a balance to carry forward of £61 11s. 11d.

Investments remained unaltered, with a market value of £125 5s. 6d.

On the motion of Mr. A. A. Hughes (hon. member), seconded by Mr. W. A. Cave (hon. member), the accounts were adopted.

CARTER RINGING MACHINE.

Mr. E. A. Young (hon. member) reported on behalf of the trustees. The machine was still at the Victoria and Albert Science Museum and had recently been inspected. Although it would still work, the time was not far distant when the machine would require a complete overhaul. The machine had been demonstrated by official request to an officer of H.M. Office of Works. The treasurer was requested to arrange payment of the demonstrator's fee.

The report was adopted on the proposal of Mr. E. A. Young (hon. member), seconded by Mr. A. A. Hughes (hon. member).

A suggestion by Mr. C. T. Coles (Middlesex Association) that periodical demonstrations be arranged was left with the trustees.

REPORTS.

STANDING COMMITTEE.

The hon. secretary reported that the only meeting for the year had been held prior to this meeting. The agenda had been considered in detail and recommendations would be placed before the Council during the day.

On the President's motion, the report was adopted.

The Rev. F. S. Powell (Devon Guild) proposed, as a recommendation to the Standing Committee, that the constitution of this committee be examined to see whether they were truly representative of the Council, and that the constitution of the other committees be examined and a report made at the next meeting. Mr. J. Hunt (Bath and Wells Association) seconded. The recommendation was adopted, the Rev. F. M. Edwards (Salisbury Guild) suggesting that the Council should appoint the conveners of committees.

PEALS COLLECTION COMMITTEE.

The Rev. H. S. T. Richardson reported the receipt of fresh material, mainly Royal and Maximus, and this was being examined.

The report was adopted on the motion of Mrs. Fletcher (Ladies' Guild), seconded by Mr. J. A. Trollope (hon. member).

Later it was proposed by Mr. G. R. Newton, seconded by Mr. E. A. Young, and carried, that the committee be asked to prepare a collection of compositions in the better known methods.

METHODS COMMITTEE.

The report of this committee was published in 'The Ringing World' of April 29th.

Mr. J. A. Trollope (hon. member) spoke of the loss sustained by the committee by the death of the Rev. H. Law James. The great advance in knowledge of methods was largely due to him. With regard to the work in hand, the book on Triples had been left with

Mr. James, but apparently he had been unable to do anything towards completing it. The book was, however, now being completed, and it was proposed to include Stedman and Erin as methods of pure Triples and about eight other methods which had a treble and six working bells, like New Bob, together with a big selection of touches of Stedman and Grandsire, full courses of certain of the methods and a selection of touches and peals.

Permission to publish the book was asked by the committee.

The committee also asked that the vacancy caused by the death of Mr. James be left open until the London meeting.

The Rev. E. S. Powell referred to the question of rules and decisions governing methods which the committee was requested to consider at the last meeting.

The committee had included this matter in their report, but since publication it had been pointed out that it would require amendment, as the definition given of a plain lead did not cover Little and Alliance methods. The committee had reconsidered the matter, and their proposals were to leave the present definition unaltered and make what adjustment was necessary by adding to the existing notes on definitions. Reference was made to the note on page 24 of Rules and Decisions, which read: 'Methods are formed from principles in two ways,' and the committee suggested the addition of: 'An illustration of this statement is to be found in the Little and Alliance methods which have come into prominence of late years. In appearance their form places them outside the definition of Plain and Bob leads given above, but, properly speaking, they are in logical succession of such methods as Bob Major.'

'Thus a Little method is one which follows the rule, except in so far as this is qualified by the restriction of the hunt to fewer places than the number of bells employed.'

'An Alliance method is one in which the hunt has a composite path comprising portions of more than one principle.'

The Council was asked to consider this and vote on it at the next meeting.

Mr. J. S. Goldsmith (hon. member), as mover of the resolution referring the matter to the committee, intimated that he supported the committee in considering the question in this form, but with regard to the actual report of the committee, he requested the Council to receive it only and not adopt it.

Mr. J. A. Trollope, on behalf of the committee, agreed with this suggestion. The Rev. E. S. Powell concurred.

The report was, therefore, received, and the committee agreed that the printing of the book on Triples methods be left over until a later item on the agenda (No. 12) had been discussed, when it was resolved, on the motion of Mr. J. A. Trollope, seconded by the Rev. H. Drake, that the committee should complete the book and hand the manuscripts to the Standing Committee for publication.

The Standing Committee recommended the appointment of Mr. S. H. Wood (hon. member) to this committee. On the motion of the President, seconded by the Rev. C. W. O. Jenkyn (Oxford Guild), this was carried.

VARIATIONS COMMITTEE.

The Rev. H. S. T. Richardson (hon. member) reported that he had been unable to do anything in this matter, and asked permission to retire.

The Standing Committee recommended that the committee be asked to elect Mr. H. W. Wilde as convener, whilst retaining Mr. Richardson's services as a member.

Mr. G. R. Newton (Lancashire Association) urged the need for a collection of best compositions, but this was considered a matter for the Peals Collection Committee.

The report was adopted on the motion of Mrs. Fletcher (Ladies' Guild), seconded by Mr. W. A. Cave (hon. member).

PEALS ANALYSIS COMMITTEE.

Mrs. Fletcher (Ladies' Guild) moved, and Mr. J. H. Swinfield (Midland Counties Association) seconded, that the report of this committee, published in 'The Ringing World' on May 6th, be adopted. Carried.

The Standing Committee recommended that Mr. G. L. Grover (Guildford Diocesan Guild) be elected a member of this committee, and that Mr. G. W. Fletcher (hon. secretary) be allowed to retire. The recommendation was adopted on the motion of Mrs. Fletcher, seconded by Mr. J. S. Goldsmith.

TOWER AND BELFRIES COMMITTEE.

The members of the committee reported individually. See 'The Ringing World,' June 10th, 1932, page 390.

The reports were adopted on the motion of the Rev. C. W. O. Jenkyn, seconded by Major J. H. B. Hesse.

Mr. J. A. Trollope reported that under the scheme to build 45 churches in the Diocese of London, it had been decided to pull down St. Andrew's, Wells Street, and move it to the suburbs. In a letter to the 'Times,' the Bishop of London had said that everything would be moved to the new church, but although the peal of eight might be moved to the new church, it was almost impossible to expect that a tower would be built strong enough to ring them. The Middlesex County Association had passed a resolution and forwarded it to the Bishop of London, asking that these bells should be retained as a peal, and that if the tower of the new church was not strong enough to permit them to be rung, then they should be given to a church in the diocese with a tower strong enough to permit ringing.

It was proposed by Mr. Trollope, seconded by Mr. E. A. Young, and carried, that the Council endorse the action of the Middlesex Association, and the Tower and Belfries Committee was asked to deal with the matter.

The meeting adjourned to receive the Bishop of Exeter.

STEDMAN COMMEMORATION COMMITTEE.

The President reported that the committee had carried through the restoration of the bells at St. Benedict, Cambridge, which were reopened on December 5th, 1931. See 'The Ringing World,' June 17th, 1932, page 405.

The Rev. C. W. O. Jenkyn (treasurer of the fund) presented the accounts of the fund, which showed total receipts of £502 1s. 5d. Expenses totalled £482 13s. 5d., which figures include Messrs. Taylor and Co. £289, Sindall £132, architect's fees £21 18s. 3d., cost of tablet £22 3s., faculty £5 5s. The amount owing to the builder was £50 13s. 6d., and certain other incidental expenses had to be met. The balance as per the accounts was £19 8s., and moneys received since had increased it to £24 4s. About £30 was required to cover all expenses.

The Standing Committee recommended that the Council should advance the money required to pay the accounts outstanding.

On the motion of the President, seconded by the Rev. C. W. O. Jenkyn, the committee's report was adopted, together with the recommendation of the Standing Committee.

It was proposed by Mr. W. Ayre (Hertford County Association), seconded by the Rev. P. Ll. Edwards (Salisbury Diocesan Guild), and carried, that a vote of thanks be accorded to all the members of the committee.

No action was taken in respect of the statement made by Mr. E. Denison Taylor, that these bells should only be rung by experts.

LITERATURE AND PRESS COMMITTEE.

The Rev. F. Ll. Edwards (Salisbury Diocesan Guild) reported for the committee. See 'The Ringing World,' June 24th, 1932, page 421. The report was seconded by Mr. J. S. Goldsmith and carried.

RULES COMMITTEE.

The report of the committee was published in 'The Ringing World' of May 13th, and was presented by Mr. E. W. Elwell (hon. member), who asked the Council to receive it with the view to its adoption at the next meeting. This course was suggested to enable members to consider the revised rules. Members were asked to give previous notice of their objections and criticisms, and were invited to suggest improvements. The various alterations were pointed out.

On the motion of Mr. E. W. Elwell, seconded by Mr. C. T. Coles (Middlesex County Association), the report was accepted.

RECORDS COMMITTEE.

Mr. G. L. Grover (Guildford Diocesan Guild), as the only surviving member of this committee, presented a report for the years 1930 and 1931 (since published in 'The Ringing World' dated July 1st, 1932). The report suggested that the Council should give a ruling as to the method to be adopted to record spliced peals, in view of the increasing number of methods used.

In view of the fact that the records for 1927, 1928 and 1929 had been mislaid, the present report may require amendment.

The report was seconded by the Rev. E. S. Powell and adopted.

Mr. Grover suggested that the Records Committee be dissolved and its work incorporated with that of the Peals Analysis Committee.

The President stated that the Standing Committee recommended this course, and he, therefore, proposed that the Records Committee be dissolved and thanked for their services, and the work be taken over by the Peals Analysis Committee, of which Mr. Grover was now a member. This was carried.

MOTIONS.

It was proposed by the President, seconded by the Rev. C. W. O. Jenkyn—

'That this Council strongly deprecates the recording as a peal on a commemorative tablet any performance which does not conform to the accepted standard of a true and complete peal, and calls upon all affiliated societies to support the Council in this matter.'

Mr. E. W. Elwell made a very eloquent appeal for the preservation of truth and accuracy in the recording of peal performances.

The resolution was carried nem. con.

Letters supporting the resolution had been received from Alderman J. S. Pritchett and Canon Elsee, and the Standing Committee heartily endorsed it.

It was proposed by Canon G. F. Coleridge and seconded by Mr. J. T. Dyke—

'That in view of the great need for attention to good striking, the Council appoint a small committee to draw up a pamphlet on the proper handling of a bell.'

The Rev. C. W. O. Jenkyn proposed, as an amendment, that the pamphlet also contain information on how to ring and call Grandire Doubles and Bob Minor for the benefit of young hands. He was, as librarian, being constantly asked for some such book. The Rev. E. S. Powell seconded and offered the use of a small pamphlet issued by the Devon Guild.

Mr. P. J. Johnson (Yorkshire Association), while in sympathy with the objects of the resolution, opposed the issuing of a pamphlet by the Council, as he was of opinion that 'Ropesight' already gave the

information. Mr. Woodley (Devon Guild) urged that Troyte's book supplied the needs of beginners.

It was pointed out by several speakers that the pamphlet required was one that would only cost a few pence, whereas 'Ropesight' and Troyte's book cost very much more.

Warm support was given by Mr. E. W. Elwell, Major Hesse, Mr. G. R. Newton, Mr. C. T. Coles and the Rev. H. Drake, the latter urging that the word 'card' be substituted for 'pamphlet.'

The amendment was accepted as a rider to the original proposal, which was carried.

On the motion of the President, a sub-committee was appointed, consisting of Canon G. F. Coleridge and Mr. J. T. Dyke, with power to add to their number, it being also agreed that the leading part be left to Mr. Dyke.

It was proposed by the Rev. C. W. O. Jenkyn and seconded by Mr. F. W. Perrins (Warwickshire Guild):—

'That in order to further the best interests of the Exercise, and to give all ringing matters the maximum publicity, all affiliated societies be requested to use their best endeavours to increase the circulation of the only ringing paper.'

Mr. J. S. Goldsmith (editor of 'The Ringing World') gave various facts and figures relating to the paper. It had served the Exercise for 21 years, but, owing to the small circulation, it was not a satisfactory commercial proposition, and under the existing circumstances it was impossible to enlarge it to a size sufficient to cope with the great amount of ringing matter being received. To increase the size of the paper by four pages per week, an increase of 3,500 copies was necessary, and if this was forthcoming, immediate steps would be taken to give a larger and more attractive paper.

The motion was endorsed by the Standing Committee and warmly supported by several speakers.

The motion was carried unanimously.

PLACE OF NEXT MEETING.

The President intimated that in accordance with the rules the next meeting would be held in London and that representative members must be re-elected by their associations before that meeting.

It was reported that an invitation to tea had been received from the Middlesex County Association, which had been provisionally accepted by the hon. secretary. The Council's endorsement of that acceptance was given.

PROPOSED MEMORIAL TO THE LATE REV. C. D. P. DAVIES.

The President reported that the Council had received an appeal from the Gloucester and Bristol Diocesan Association.

The Standing Committee recommended that in view of the valuable work done by Mr. Davies, a sum of £10 10s. be voted to the memorial. This was seconded by the Rev. C. W. O. Jenkyn and carried.

VOTE OF SYMPATHY.

On the suggestion of Mr. C. H. Jennings, a vote of sympathy was passed with the Master of the Salisbury Diocesan Guild, who had met with a serious accident, and the hon. secretary was instructed to forward it to the Rev. R. H. Gundry with good wishes for his speedy recovery.

VOTES OF THANKS.

The thanks of the Council were accorded to the Mayor for the use of the Council Chamber and for his welcome; the Bishop of Exeter and Bishop of Plymouth for their presence and words of encouragement; the Devon Guild for their hospitality and for making the various arrangements, with particular reference to Mr. E. W. Marsh, and to all incumbents for the use of their bells and towerkeepers for their services; to the Truro Diocesan Guild for their kind invitation to Truro on Whit Monday and entertainment of some of the members to lunch, with particular reference to Mr. A. S. Roberts, Dr. Symons, Lt.-Col. C. F. Jerram and the Truro Cathedral band.

The meeting terminated at 5.30, after which the members were the guests of the Devon Guild at tea.

MOULTON BELLS.

£70 REQUIRED FOR A NEW BELL.

To the Editor.

Dear Sir,—I have just received the offer from a London gentleman of a treble if I will provide another and so complete the ring of eight.

We have had the six rehung, retuned and fitted in a steel frame with ball bearings and latest improvements. A ring of eight would make it the finest in the county for a village church, as the bells are most melodious.

Will some ringer or ringers lend a hand? The parish is exhausted with the recent restoration of the bells, and I do not want the offer to lapse through default on my part, as I am keen on getting the eight. The frame will take eight and the faculty is ready. £70 is all I require.
